Terms and Conditions

CLAIMS:	Please check all containers for damage immediately upon receipt of shipment. If shipment is received in damaged condition, do not reject shipment. All obvious damage must be noted on the bill at the time of delivery. Concealed damage must be reported to the transport company as soon as possible after delivery (10 days maximum). File all damage claims directly with the transport company. Claims for shortages or errors must be made within 5 days to our Customer Service Department.
RETURNS:	No returned goods will be accepted by us unless sender has first obtained written authorization from the Customer Service Manager.
DELIVERIES:	Deliveries are contingent on strikes, fires, accidents and other causes beyond out control.
PRICES:	Prices are effective as of the date printed on the price list and this price list supersedes all previously published price lists. Published furniture prices are list FOB Lisbon, New Hampshire. Prices do not include shipping charges, cartoning, packaging and crating, storage or insurance claims, sales and other taxes, local delivery, uncrating and installation.
CUSTOM STAINING:	N/A.
ROUTING:	Unless other wise noted, all our goods are sold FOB our factories. Handling in transit is at the purchaser's risk. We will adhere to routing prescribed by you, as far as possible, but reserve the right to make changes due to local conditions or other circumstances. If no routing is specified, or if "cheapest" or best routing is requested, we will use our good judgment in determining a proper routing. However, under no circumstances will we assume responsibility for any differences in freight charges. As a service to our customers, we will prepay shipments on request, in which case we expect prompt reimbursement of our outlay. DCI shall make its best efforts to ship each order complete. However, DCI reserves the right to make shipments in installments. As such installments shall be separately invoiced and paid for when due without regard to subsequent shipments. Delay in shipment of any installment shall not relieve the customer of its obligation to accept remaining shipments.
RETURNED GOODS:	No returned goods will be accepted by us unless sender has first obtained written authorization from the Customer Service Manager.

FINISHES / STAINS: N/A: See Price Pages

DCI's policy is to allow minor changes in style or dimensions to accommodate our customers in satisfying a preference or insuring a match when it can be done with no changes in construction methods, basic materials, or workmanship.

In limited applications such as case tops or shelves, in accordance with industry practices, high pressure laminate is applied over medium density particle board. For those customers with unique needs, laminate over lumber core or veneer core is available upon request in our standard solid wood or lumber core construction grades.

Additionally, alternate materials may be selected by the customer for cost savings, for example, plywood drawer sides in place of solid wood drawer sides and hardboard drawer bottoms and case backs in place of veneer core drawer bottoms and case backs.

Specifications

MATERIALS

Exposed Components - All external frames shall be solid white ash (fraxinus Americana) ,red oak (quercus rubra) or solid maple (acer saccharum) stained to match approved color samples. All exposed parts shall be northern grown, of select quality, free of defects which impair appearance and serviceability. All shall be fully seasoned and kiln dried to a moisture content of 5 to 7%. All parts shall be bright and well sanded and have no brashness, discoloration, worm holes, splits, shakes, or other defects which could adversely affect appearance or serviceability.

Unexposed Components - Inner frames shall be solid grown hardwoods which may contain some small defects such as pin knots, sapwood or mineral streaks provided that strength is not affected.

FABRIC: To be specified
FOAM: 3" thick, firm density polyurethane block core stock.
SCREWS: Low root hardened screws.
LOCKING MECHANISM: 1/4" #20 insert nut and 1/4" #20 button head socket bolt.

DIMENSIONS:
SIDE PANELS: 1—1/2" Thick
FRONT RAIL: 5" wide x 1-1/2" Thick
BACK RAIL: 13-3/4" Wide x 1-1/2" Thick.
INNER FRAME: 2" Wide x 1-3/4" Thick.

ASSEMBLY:
External Frame: Joinery shall be glued and doweled under pressure to insure maximum glue penetration and bonding. Front horizontal panel shall be joined to the side arm panel with two dowels at each joint. Back horizontal panel shall be joined at the side arm panel with three dowels at each joint.
Inner Frame: Seat and back frame to be constructed with two dowels per joint. Side to be machined to receive steel locking mechanism. Seat frame to be covered with a no sag unit, then foam to be securely glued to wood frame.

Stitching: All seams to be over locking type. All seam stitching shall be reinforced with cotton twill tape held in place by two rows of stitching, sewn on double needle machines.

All cushion jackets have hook and loop for easy replacement.

Finishing - All surfaces exposed to view shall be smoothly machined and sanded. The application of finishing materials shall be controlled to produce a uniformly smooth finish without sags, runs, orange peel, overspray or other defects affecting smoothness or appearance. The natural grain of the wood shall not be clouded by finishing materials. A clear finish shall be applied to the inside of drawers to prevent staining through use and to permit cleaning.
