FROM:	Naila Crawford
PROJECT:	GSA R5 Model Compliance Review
ITEMS:	1. Revit Model Review (RMR) Check Files for the R5 BIM Standards Checks (see table below). 2. Revit Plugin Files for the R5 BIM Standards Checks. a. CheckLinks_2011.dll b. CheckLinks_2011.addin 3. Instructions on Loading and Running the Revit Model Review (RMR) Files 4. Instructions on Loading and Running the Revit plugin files (see Items 2a and 2b). 5. ME_KFA_R5BIMStandardsRecommendation_20120104.doc 6. ME_KFA_Recommendation on the R5 Family Naming Conventions.doc
ACTION:	Please confirm delivery.

Hi Richard,

Here are Revit Model Review checks files and Revit plugin check files for the following checks:

1. Here are the R5 BIM Standards checks that have been completed, the associated check files, and the date that I sent the checks.

Check Name	Check File	Date Sent
Minimum MEP Object Attributes – As-Built Parameters	GSARegion5Standards-As-Built.bcf	November 30, 2011
Minimum MEP Object Attributes - COBie	GSARegion5Standards-COBie.bcf	November 30, 2011
OmniClass Attributes	GSARegion5Standards-FamilyType-OmniClass (Arch).bcf	November 30, 2011
	GSARegion5Standards-FamilyType-OmniClass (MEP).bcf	November 30, 2011
	GSARegion5Standards-FamilyType-OmniClass (Space).bcf	November 30, 2011
	GSARegion5Standards-FamilyType-OmniClass (Struc).bcf	November 30, 2011
Origin Point	CheckLinks_2011.dll	January 4, 2012
System Connectivity	GSARegion5Standards-System Connectivity.bcf	January 4, 2012
Reference Files (Nesting of Reference Files)	CheckLinks_2011.dll	January 4, 2012
Binding of Files (Overlay vs. Attachment Linked Files)	CheckLinks_2011.dll	January 4, 2012
Drawing Sheet Sizes	CheckLinks_2011.dll	January 4, 2012
Reference File	GSARegion5Standards-	January 4, 2012

Check Name	Check File	Date Sent
Naming	ModelNamingConvention.bcf	
Revit Browser Structure	GSARegion5Standards-Project Browser (Architectural).bcf GSARegion5Standards-Project Browser (Electrical).bcf GSARegion5Standards-Project Browser (Structural).bcf GSARegion5Standards-Project Browser (MP).bcf	January 4, 2012
Discipline Color	ME_KFA_R5BIMStandardsRecommendation_20120104.doc	January 4, 2012
Element Location	GSARegion5Standards-Element Location.bcf	January 4, 2012

Please refer to the instructions on loading and running the Revit Model Review (RMR) and the Revit plugin checks (see attached).

Please note that checking the relative referencing is available in the Revit 2012 API not in the Revit 2011 API.
