^a digital gateway is required for each receiver to receive the digital signal. Digital Services must be purchased on all receivers. All digital services require a minimum of TV Starter.

**Discovery Pak is required to purchase any other Pak

^Music Choice can only be used for background noise and cannot be sold to a Bar, Restaurant, or Tavern, etc.

^^NFL RedZone requires the Sports & Info Pak in addition to the digital gateway, Receiver, TV starter and Expanded services and requires additional documentation to be signed.

***HDTV services requires subscription to the analog or digital version of the same channel, HD receiver, and digital gateway in order to receive the HDTV signal. Customer must have an HDTV as well.

^^^required for any bar, restaurant, or tavern receiving ESPN, ESPN News and ESPN U in HD
