

SINGLE AWARD BLANKET PURCHASE AGREEMENT PROVIDES OFFICE FURNITURE AND SUPPORT SERVICES FOR THE DEPARTMENT OF HOMELAND SECURITY'S CUSTOMS & BORDER PROTECTION (CBP) AND IMMIGRATION & CUSTOMS ENFORCEMENTS AGENCIES (ICE)

GSA's Integrated Workplace Acquisition Center negotiated and awarded a Single Award Blanket Purchase Agreement (BPA) for office furniture and related support services. The award was made to Haworth, Inc. for Office Furniture and Design/Layout Services and Quality Technical Services, Inc. (QTS) for Project Management Services and Relocation and Reconfiguration Services. The BPA is for a period of five years through February 1, 2012.

Orders from this BPA must be processed by GSA's Integrated Workplace Acquisition Center to be valid. However, no further competition is required for these products or services when processed – *which means a tremendous time savings to our DHS ICE and CBP customers!*

Here's How It Works:

1) If you require:

- ◆ Office Furniture
- ◆ Design/Layout Services

Please contact Mr. Tom Walker with Haworth, Inc. at (616) 393-3611. Haworth will provide you a bill of materials and a price quote.

If you require:

- ◆ Project Management or Relocation
- ◆ Reconfiguration Services

Please contact Ms. Doreen Fentress with QTS at (757) 490-4710. Please provide her a Statement of Work describing the type of services needed. She will offer you a price quote based on your specific requirements.

2) This information should then be sent to the GSA's National Furniture Center to the attention of Mr. James Price. Mr. Price can be reached on (703) 605-9257 or at james.price@gsa.gov. Remember to include your funding document and reference the BPA number 3FNS-BPA-06-001. If Mr. Price is unavailable, please contact Ms. Anna Fitzgerald on (703) 605-1828 or at anna.fitzgerald@gsa.gov.

Projects that use this BPA will only be charged a 5% fee, regardless of the size of the project.

The following are the prices that have been awarded in the BPA contract. All quotes will be based upon these hourly rates or are BPA pricing.

Benefits of Blanket Purchase Agreements:

Blanket Purchase Agreements (BPAs) established under the GSA Schedules Program provide ordering activities with a variety of benefits and advantages. Contractual terms and conditions are contained in GSA Schedule contracts and are not to be renegotiated for GSA Schedule BPAs. Therefore, as a purchasing option, BPAs eliminate such contracting and open market costs as the search for sources, the need to prepare solicitations, and the requirement to synopsise the acquisition. BPAs also—

- Provide an opportunity to negotiate improved discounts;
- Satisfy recurring requirements;
- Reduce administrative efforts by eliminating repetitive, individual orders and payments;
- Let customers obtain better value by leveraging buying power through volume purchasing;
- Enable an ordering activity to use streamlined ordering procedures;
- Permit an ordering activity to incorporate Contractor Team Arrangements (CTAs);
- Allow for quicker turnarounds on orders; and
- Permit an ordering activity to incorporate terms and conditions not in conflict with the underlying contract.

A BPA has been set up for all DHS ICE and CBP field offices across the nation, thus allowing the GSA's Integrated Workplace Acquisition Center to place orders directly with GSA Schedule contractors on the requesting agency's behalf. In doing so, all of DHS ICE and DHS CBP can reap the benefits of additional discounts negotiated into the BPA.
