Re: NEPA Technical Inquiry 0107 - Federal Facilities Environmental
Journal

Dear NEPA Call-In User:

This letter is in response to your May 21, 1997, request for the article, "EPA's Code of Environmental Management Principles (CEMP) for Federal Agencies: An EMS Framework for the Federal Sector," in the Spring 1997 issue of the Federal Facilities Environmental Journal. Your e-mail request also stated that you wanted subscription information on the periodical.

NEPA Call-In conducted an Internet search and found that the Federal Facilities Environmental Journal is published by John Wiley & Sons, Inc. 605 Third Avenue, New York, NY 10158, Tel: (212) 850-6645, Fax: (212) 850-6021. A one year subscription is \$196 (four issues).

NEPA Call-In also found the Department of Interior Law Library receives a subscription to the Journal and made a copy of the article you requested (enclosed). NEPA Call-In has requested subscription information and a sample issue from the publisher, but to date have not received this information. We will forward subscription information to you when received.

The materials in this TI have been prepared for use by GSA employees and contractors and are made available at this site only to permit the general public to learn more about NEPA. The information is not intended to constitute legal advice or substitute for obtaining legal advice from an attorney licensed in your state and may or may not reflect the most current legal developments. Readers should also be aware that this response is based upon laws, regulations, and policies in place at the time it was prepared and that this response will not be updated to reflect changes to those laws, regulations and policies.

Sincerely,

(Original Signed)
