

TI-906

Prepared: October 25, 2000

Short Description:

Current Floodplain Regulations - ADM 1095.2

Inquiry:

Following are the callers' questions of October 24, 2000, regarding regulations concerning floodplains:

- 1) Is ADM 1095.2 the most current guidance available when siting a building in the 500 year floodplain?
- 2) Has Central Office issued more specific guidance regarding this subject?

Response:

Public Building Services responded to this inquiry, and assured that ADM 1095.2, "Consideration of Floodplains and Wetlands in Decision-making," was the most up-to-date document.
