*“The General Services Administration’s ANSWER Program provides a means to deliver flexible, responsive, easy-to-use and cost-effective IT services for Federal agencies. The technical range of these IT services is impressive.”*

### **WHAT IS THE ANSWER GOVERNMENT WIDE ACQUISITION CONTRACT?**

The ANSWER Contract is a Multiple Award/ Indefinite Delivery Indefinite Quantity (MA/IDIQ) contract established in 1998. This contract vehicle offers federal agencies timely access to top-tier companies who provide state-of-the-art information technology services.

From telemedicine to war-gaming...agriculture to defense...environmental protection to homeland security...nuclear energy to social security...the ANSWER Contract supports a wide spectrum of IT needs. Federal agencies can commission vendors to create custom technology solutions for their toughest IT challenges.

Using ANSWER, federal agencies get straight-through contracting to the IT industry's premier service providers. Ten leading integration companies—recognized names in IT with proven records of performance—have been selected to provide:

- Requirements and design research
- Analysis and development
- Software maintenance
- Large-scale systems integration

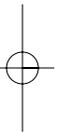

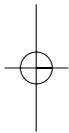

### **WHO CAN BE AN ANSWER GOVERNMENT WIDE ACQUISITION CONTRACT CLIENT?**

Any U.S. federal agency can use the ANSWER Contract. Because the ANSWER Contract operates worldwide, even agencies with operations outside of the United States qualify.

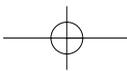

### **WHO USES ANSWER?**

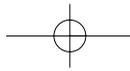

The list is impressive. Clients include: the Department of Defense, Department of Agriculture, Department of Energy, Department of Interior, Department of Justice, Department of Transportation, Department of Commerce, Department of Treasury, Federal Aviation Administration and Corps of Engineers.

The ANSWER Contract meets client needs, and the ANSWER staff exceeds client expectations. Client's say our service is responsive, innovative, trustworthy, efficient, dynamic and more. At ANSWER, we expect nothing less.

*“Thanks to the ANSWER staff for creating the atmosphere of cooperation and collaboration...you have not only created a program office but a real team functioning activity, which, in my view, is the model for GSA procurements.”*

# Get great benefits... By Using the ANSWER Government Wide Acquisition Contract.

## GET FAST CONTRACTING
