

Regional EMS Commitment Memo

The U.S. General Services Administration (GSA) Pacific Rim Region is a responsible environmental steward. The Pacific Rim Region commits to the development, implementation, and continual improvement of a Regional Environmental Management System (EMS) that is consistent with the National GSA EMS and associated environmental policies. In order to uphold this commitment, the Pacific Rim Region will:

- Adopt and promote the national GSA Environmental Policy;
- Manage the significant environmental aspects as defined in the national GSA EMS, as well as any region-specific environmental aspects deemed appropriate; and
- Strive to meet the national GSA EMS objectives and targets, and all regional objectives and targets deemed necessary for proper environmental management.
