Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. §3307, appropriations are authorized for the final phase of the multi-phase modernization of approximately one-half of the Harry S. Truman (Main State) Building located at 2201 C Street, NW in Washington, D.C., including demolition and build out of the North Court area and the replacement of all HVAC, electrical and plumbing systems, the installation of a fire sprinkler system and replacement of elevators, at an additional estimated construction cost of $23,962,000 and an additional management and inspection cost of $1,577,000 for a total additional estimated project cost of $25,539,000, a prospectus for which is attached to and included in this resolution. This resolution authorizes the prospectus as amended by the revised Housing Plan dated August 2014. This resolution amends amounts authorized in the Committee on Transportation and Infrastructure resolution of August 1, 1996.

Provided, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.
