- **71 II K** – Comprehensive Furniture Management Services
- **72** – Furnishings and Floor Coverings
- **78** – Sports and Fitness Equipment; Promotional Items

Website – www.gsa.gov/furniture
GSA Schedules offer a full range of interior design, furniture, and furnishing products
- GSA Schedule 71 – Furniture
- GSA Schedule 71 IIK – Comprehensive Furniture Management Services (CFMS)
- GSA Schedule 72 – Furnishings and Floor Coverings

Creative GSA Schedules options
- Blanket Purchase Agreements (BPAs)
- Small Business Set-Asides
Federal Acquisition Regulation (FAR) 8.405-3 - ordering activities may establish Blanket Purchase Agreements (BPAs) under any GSA Schedule contract.

Simplifies recurring needs procurement for supplies and services.

Leverages ordering activities’ buying power by taking advantage of quantity discounts, saving administrative time, and reducing paperwork.

Contractual terms and conditions are contained in GSA Schedule contracts - no need to re-negotiate for GSA Schedule BPAs.
Single or Multiple Award BPA for furniture?...

- Strong opinions on both sides!

- Perceived benefits of single-award BPA
  - Standardization
  - Inventory minimization
  - Ordering ease/communications

- Perceived benefits of multiple-award BPA
  - Small business engagement
  - Performance risk mitigation through redundancy
  - Incentivizes favorable pricing/performance
GSA Schedules – Small Business Set-Asides

➢ Authority is new!
  ➢ Interim rule (November, 2011) amends FAR 8.4 to allow for set-asides when placing new orders/BPAs

➢ Agencies may set-aside Schedule orders for any socioeconomic programs
  ➢ SDVOSB, women-owned, HUBZone, etc...

➢ Not required
  ➢ Up to ordering CO to decide whether to set-aside

➢ Word of caution – The Non-Manufacturer Rule (NMR) applies
  ➢ Small businesses performing under a set-aside must provide products from small business manufacturers
Furniture Solutions Through National Stock Number Program (NSN)

➢ Established requisitioning solutions under GSA Global Supply for multiple furniture product lines
  • General and executive office furniture
  • Dorm and quarters/Industrial furniture

➢ BIG advantage - contracts were competitively awarded. No further market research or competition is required before ordering.

➢ Order through GSA Advantage.

➢ More info/list of products: www.gsa.gov/furniture.ns
Streamlining the Furniture Buying Process

• **Tip #1 – Simplify the Evaluation Criteria and Technical Specs!**

  - Inform industry to provide only exactly what is requested
• Tip #2 – Encourage Dialogue During RFQ Process

– During RFQ period, encourage industry to ask questions, especially regarding unduly restrictive and/or ambiguous requirements
Streamlining the Furniture Buying Process

- Tip #3 – Award on Initial Quotes

  - Inform industry on intent to award on initials, and advise them to provide most competitive price and technical quotes up front
Streamlining the Furniture Buying Process

• Tip #4 – Find Creative Solutions for Non-Schedule Items

  – Alternatives
    ▪ Work with GSA Schedule Procurement Contracting Officer (PCO) to add items to Schedule before RFQ closes
    ▪ Team with an MAS Schedule provider that has the item available under their Schedule
    ▪ Buy off Schedule items separately
Streamlining the Furniture Buying Process

• Tip #5 (Bonus) – Never forget that buying furniture in Government is deceptively challenging.

  —“My only advice is to stay aware, listen carefully and yell for help if you need it.”
  - Judy Blume
Furniture Acquisition for the Future...

• **Furniture in the Age of Mobile Work**
  - The challenge - Shrinking budgets, smaller federal real estate footprint, space sharing, increasing reliance on telework...

• **Environmental Considerations**
  - Recovered materials for items designated by EPA
  - Greenguard™ or brand-equal certified furniture
  - BIFMA™ Sustainability standard
  - Environmental considerations as best value evaluation factor
Questions?
Thank you for joining us today for a discussion on Introduction to Furniture Procurement

- **Future sessions**
- March – Introduction to Requirements Development
- April – Introduction to RWAs and eRETA
