RESOLVED BY THE COMMITTEE ON ENVIRONMENT AND PUBLIC WORKS OF THE UNITED STATES SENATE

that pursuant to title 40 U.S.C. § 3307, a prospectus providing for the construction of facilities of 261,000 gross square feet (including canopies and structured parking) to replace the existing land port of entry in support of Phase II of a two-phase project including construction of commercial inspection lanes, a new veterinary services building, an impound lot, a main administration building, non-commercial inspection lanes, a new non-commercial secondary inspection plaza, new non-intrusive inspection buildings, and employee and visitor parking areas in Alexandria Bay, New York at an additional estimated construction cost of $34,552,000 and a reduction of the management and inspection cost of $2,014,000 for a total cost of $32,538,000, a description of which is attached hereto and by reference made part of this resolution, is approved. This resolution amends the authorization of the Committee on January 20, 2016 for Prospectus No. PNY-BSC-AB16.

Provided, that the Administrator shall provide to the Chairman or Ranking Member of the Committee on Environment and Public Works of the Senate, in a timely manner, requested documents and information regarding this prospectus and resulting contractual materials, without redaction other than redactions to exclude business confidential, proprietary, and/or procurement sensitive information.

Provided further, that the Administrator shall not delegate to any other agency the authority granted by this resolution.
