

City Pair Program

July 2022

FAST FACT SHEET: City Pair Program (CPP) FY23 Contract Awards

Participating Airlines

- **Awarded to 8 airlines:** United, American, Delta, Southwest, JetBlue, Hawaiian, Alaska and Silver Airways

Awarded Markets

- **Awarded to 12,139 markets in FY23** (9,422 Domestic and 2,717 International). Represents 87.6% of all trips flown by government travelers to complete their missions.
- **2,327 markets awarded with Non-stop service**, CPP solicited all eligible non-stop service markets awarding 91.4%.
- The CPP results in **92.5% (or 11,237) of all awards having two discounted fares** - this provides flexibility for immediate travel and more deeply discounted fares for booking flights early.

Savings

- The GSA City Pair Program will continue to save taxpayers an **estimated \$1.288B in FY23**. CPP fares benchmark **45% lower than commercial like fares** with no exchange fees, fully refundable, last seat availability, and no blackout dates.

Good News Stories on CPP Top Markets

City Pair	FY23 YCA	FY23 _CA	Benchmarks Lower than Corporations
