**CLASS 6S – SHIPBOARD FILING CABINETS (Fed. Spec. AA-F-358)**

Class 6 filing cabinets are GSA-approved for the storage of secret, top secret, and confidential information.

- Protection for 30 man-minutes against covert entry;
- 20 man-hours against surreptitious entry; and
- No forced entry requirements.

Style 1 and 2 locks are in accordance with Federal Specification FF-L-2740.

These containers are intended primarily for use on DoD ships where, through installation, they will become an integral part of the assemblage. These containers are designed specifically for Naval applications where mounting to the floor or deck are required for life safety and security.

They are not recommended as items of office furniture.
