CONFERENCE ROOM RULES

The North Platte Federal Building conference room is NOT a full service Conference Room. GSA has provided tables and chairs for your use. Please note a few of the policies to keep in mind when requesting a reservation for any of these rooms:

- It is your (the Requesting Agency's) responsibility to setup the furniture in the arrangement you require. It is required, upon completion of the room's use, that all furniture is returned to the arrangement in which it was found in the room.
- If your reservation requires the use of the provided analog phone line and conference phone, please request assistance to setup the phone;
- Remember to TURN OFF all technology at the close of your conference / meeting;
- Please contact the Building Manager, Maintenance or Custodial Staff to unlock the conference room.

Your cooperation is much appreciated and ensures continued use by all joint-use paying tenants.
