

## EVSE Blanket Purchase Agreements

Recent executive action calls for the federal government to work with industry to achieve 100 percent of light-duty vehicle acquisitions as Zero-Emission Vehicles (ZEVs) by 2027 and 100 percent of all vehicle acquisitions as ZEVs by 2035. GSA leverages industry partnerships to offer the full spectrum of products and services to support agencies electrification goals. As agencies ramp up their electric vehicle acquisitions, GSA's newly awarded Blanket Purchase Agreements provide a streamlined ordering process and reduced administrative burden for agencies looking to acquire a range of charging hardware, software, and ancillary services.

GSA established 16 BPAs in all, nine of which are with small businesses. These 60-month agreements include over 1,165 EVSE products across more than 30 unique EVSE manufactured brands with ordering preferences for small, disadvantaged businesses. GSA anticipates onboarding additional products periodically as they are added to GSA's Multiple Award Schedule. Charging platforms and networked stations are still undergoing GSA IT and security reviews and will not be available for ordering through the BPAs until this process is complete. All BPA products are currently available on GSA's MAS contracts which can be accessed through [GSA Advantage](#). Until these products have completed the process, agencies can purchase through MAS, but will need to evaluate each product at the agency level to ensure it meets all agency-specific privacy, IT, and cyber supply chain requirements.

CLIN	Description	Price Range
CLIN 0001	Level 1 Charging Stations	\$450 - \$65,062
CLIN 0002	Level 2 Charging Stations	\$101 - \$68,560
CLIN 0003	DC Fast Charging Stations	\$7,746 - \$158,551
CLIN 0004	Solar/Off-grid Charging Stations	\$59,816 - \$532,245
CLIN 0005	Portable Charging Stations	\$5,907 - \$68,560
CLIN 0006	Site Planning/validation and prep; consulting; procurement support; utility coordination; design; basic install (when no construction is needed), project management and more	\$55 - \$356 (hourly) \$96 - \$3,232 (other)
CLIN 0007	Power Management and Metering	\$46 - \$13,334
CLIN 0008	Network Data Plans and Packages	\$20 - \$5,924
CLIN 0009	Operation, Repair and Maintenance Plans	\$114 - \$45,870
CLIN 0010	Non-Conventional Solutions	\$1,949 - \$328,313
CLIN 0011	Accessories and Components	\$5 - \$23,571
CLINs 002, 003 & 010	Charging as a Service	\$209-\$2,529 (annually)

Pricing and detailed descriptions along with contact information for BPA-Holders can be found at [gsa.gov/evse](https://www.gsa.gov/evse).

The following BPA-Holders and Brands are represented:

BPA Number	BPA Holder (Value-added Reseller)	Business Size	Brands	Platforms undergoing NIST-171 or FedRAMP
47QMCA22A0001	ABM Facility Support Services	LB	Atom Power, ABB, Blink Charging, ChargePoint, Efacec USA, EvoCharge, EVConnect, Heliox, JuiceBar, Nuvve, Rhombus, SemaConnect, Tritium	Atom Power, ABB, Blink, ChargePoint, EVConnect, Nuvve, Rhombus, SemaConnect, Tritium
47QMCA22A0002	Ameresco Federal Solutions	LB	BTC and EVConnect	EVConnect
47QMCA22A0003	Apollo Sunguard Systems	SB, SDVOSB	ChargePoint	ChargePoint
47QMCA22A0004	Beam Global	SB	Beam Global	Beam Global
47QMCA22A0005	Carahsoft Technology	LB	ChargePoint	ChargePoint
47QMCA22A0006	District Fleet	SB, SDB, HUBZone	ABB, BTC Power, EVConnect, EvoCharge, Freewire, Garage Juicebar, PowerCharge and Tritium	ABB, EVConnect, Freewire, Tritium
47QMCA22A0007	Eaton	LB	Eaton	-
47QMCA22A0008	Energy Systems Group	LB	-	-
47QMCA22A0009	Global Enterprise	SB	Livingston Energy, Terra Wallbox	Livingston Energy
47QMCA22A0010	The Lioce Group	SB	SemaConnect	SemaConnect
47QMCA22A0011	OSC Solutions	SB, VOSB	-	-
47QMCA22A0012	Pacific Lighting Management	SB, HUBZone	EVConnect, Clipper Creek, EVLoop, EVSE LLC	EVConnect, EVLoop, EVSE LLC
47QMCA22A000A	PCS Energy	SB	EvoCharge	-
47QMCA22A000X	Siemens Industry	LB	Siemens	EVC3 (the network)
47QMCA22A000Y	Verdek	SB	ABB E-Mobility, AeroVironment, Amply Power, ChargePoint, Efacec, EVConnect, EvoCharge, Freewire	ABB E-Mobility, Amply Power, ChargePoint, EVConnect, Freewire
47QMCA22A000Z	WSP USA Solutions	LB	-	-

Complementing these BPAs, GSA's Public Building Service (PBS) is awarding Indefinite Quantity Indefinite Delivery Contracts this summer for design, build and construction services for infrastructure installation. The FAR Subpart 51.1 Class Deviation CD-2022-04 granted earlier this year allows contractors awarded under this contract to purchase directly from the BPAs making GSA a truly one stop shop to meeting agencies charging station needs. All contracts can be used by agencies directly or GSA can provide assisted acquisition services delivering a complete, turnkey solution. Reach out to PBS at [pbs-evse-solutions@gsa.gov](mailto:pbs-evse-solutions@gsa.gov) for more information or [gsafleetafvteam@gsa.gov](mailto:gsafleetafvteam@gsa.gov) for information on the BPAs.
