§ 102–117.356 What information should I report?

You should report your agency’s prior fiscal year transaction level transportation data for freight and cargo, including HHG, and transportation management information. Transportation data that currently is otherwise provided to GSA in compliance with 31 U.S.C. 3726 is not requested. Transaction level transportation data submitted by agencies will remain confidential.

Transportation management information should also be reported and should include related environmental information, agency points of contact, and transportation officer warrant and training data.

§ 102–117.360 How do I submit information to GSA through FITS?

GSA will post a Federal Management Regulation bulletin at http://gsa.gov/fmr bulletin, which will detail the FITS submission process, including specific data requested, and provide information concerning available FITS training.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the final changes to the FMR do not impose recordkeeping or information collection requirements, or the collection of information from offerors, contractors, or members of the public that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, et seq.

D. Small Business Regulatory Enforcement Fairness Act

This final rule is also exempt from Congressional review prescribed under 5 U.S.C. 801 since it relates to agency management or personnel.
