This final rule amends the Federal Travel Regulation (FTR) by:

- Updating statutory references concerning when travel on Government aircraft is not reported;
- Updating references to use an electronic reporting tool and updating a statutory reference.

**SUPPLEMENTARY INFORMATION:**

**A. Background**

This amendment updates statutory references concerning when travel on Government aircraft is not reported; adds additional guidance for determining distance measurements when traveling on official business by privately owned aircraft; amends the heading regarding POV mileage reimbursement between an employee’s residence, office and/or common carrier; updates the addresses for submitting per diem review requests; requires agencies to use an electronic reporting tool to report travel on Government aircraft by senior Federal officials and non-Federal travelers; and updates statutory references in certain sections.

Accordingly, this final rule amends the FTR by:

2. **Section 301–10.302**—Revising the information to determine distance measurements when traveling by privately owned aircraft in conjunction with official travel.
3. **Section 301–10.306**—Revising the question portion to clarify what an employee will be reimbursed if authorized to use a POV between the employee’s residence, office and/or common carrier terminal.
4. **Section 301–11.26**—Updating the chart with current address information.
5. **Sections 301–70.801, 301–70.803, 301–70.804, and 301–70.902**—Updating statutory references.
6. **Section 301–70.906**—Updating the requirement of agencies to report the use of Government aircraft to carry senior Federal officials and non-Federal travelers by using an electronic reporting tool and updating a statutory reference.

**B. Executive Order 12866**

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This final rule is not a major rule under 5 U.S.C. 804.

**C. Regulatory Flexibility Act**

This final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, et seq., because the revisions are not considered substantive. This final rule is also exempt from the Regulatory Flexibility Act per 5 U.S.C. 553(a)(2) because it applies to agency management or personnel. However, this final rule is being published to provide transparency in the promulgation of Federal policies.

**D. Paperwork Reduction Act**

The Paperwork Reduction Act does not apply because the changes to the FTR do not impose recordkeeping or information collection requirements, or the collection of information from offerors, contractors, or members of the public that require the approval of the Office of Management and Budget (OMB) under 44 U.S.C. 3501, et seq.

**E. Small Business Regulatory Enforcement Fairness Act**

This final rule is also exempt from Congressional review prescribed under 5 U.S.C. 801 since it relates solely to agency management and personnel.
