the Administrator of this final rule does not affect the finality of this action for the purposes of judicial review nor does it extend the time within which a petition for judicial review may be filed, and shall not postpone the effectiveness of such rule or action. Parties with objections to this direct final rule are encouraged to file a comment in response to the parallel notice of proposed rulemaking for this action published in the Proposed Rules section of today’s Federal Register, rather than file an immediate petition for judicial review of this direct final rule, so that EPA can withdraw this direct final rule and address the comment in the proposed rulemaking. This action may not be challenged later in proceedings to enforce its requirements (see section 307(b)(2)).

2. Section 52.220, is amended by

Subpart F—California

Supplemental Information:

A. Background: Pursuant to 5 U.S.C. 5738 the Administrator of General Services is authorized to prescribe necessary regulations to implement laws regarding Federal employees when assigned a TCS or when otherwise officially relocated. The overall implementing authority is the Federal Travel Regulation (FTR) (41 CFR chapters 300–304).

This final rule incorporates language based on Public Law 110–181, the National Defense Authorization Act for Fiscal Year 2008, section 1104, and 5 U.S.C. 5737a, to allow agencies to establish policies to provide for the storage, without charge, or for the reimbursement of the cost of storage, of a POV that is owned or leased by a covered employee of that agency (or by a dependent of such an employee), when the employee is assigned a TCS in support of a contingency operation. The term “contingency operation” has the meaning given such term in 10 U.S.C. 1482(a)(2) to include humanitarian operations, peacekeeping operations, and similar operations.

This final rule also amends and clarifies other clerical issues pertaining to FTR Part 302–3, (Subpart B—Transferred Employees—Table H—Temporary Change of Station (TCS), and Subpart E—Employee’s Temporary Change of Station) and Part 302–9 (Allowances for Transportation and Emergency Storage of a Privately Owned Vehicle).

B. Executive Order 12866 and 13563

Executive Orders 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has not been designated a “significant regulatory action” and is not economically significant, under section 3(f) of Executive Order 12866.

C. Regulatory Flexibility Act

This final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, et seq., because the revisions are not considered substantive. This final rule is also exempt from the Regulatory Flexibility Act per 5 U.S.C. 553 (a)(2) because it applies to agency management or personnel. However, this final rule is being published to provide transparency in the promulgation of Federal policies.

D. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FTR do not impose recordkeeping or information collection requirements, or the collection of information from offerors, contractors, or members of the public that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, et seq.

E. Small Business Regulatory Enforcement Fairness Act

This final rule is also exempt from congressional review prescribed under 5 U.S.C. 801 since it relates solely to agency management and personnel.
