SUMMARY: The Environmental Protection Agency (EPA) Region 9 announces the deletion of the Sola Optical USA, Inc. Superfund Site (Site) located in Petaluma, California, from the National Priorities List (NPL). The NPL, promulgated pursuant to section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) of 1980, as amended, is an appendix of the National Oil and Hazardous Substances Pollution Contingency Plan (NCP). The EPA and the State of California, through the California Regional Water Quality Control Board—San Francisco Bay Region, have determined that all appropriate response actions under CERCLA have been completed. However, this deletion does not preclude future actions under Superfund.

DATES: This rule is effective October 31, 2013.

ADDRESSES: EPA has established a docket for this action under Docket Identification No. EPA-HQ-SFUND-1990-0010. All documents in the docket are listed on the <http://www.regulations.gov> Web site. SUPPLEMENTARY INFORMATION: The site to be deleted from the NPL is: Sola Optical USA, Inc. Superfund Site, Petaluma, California. A Notice of Intent to Delete for this Site was published in the **Federal Register** on July 24, 2013.

The closing date for comments on the Notice of Intent to Delete was August 23, 2013. One set of public comments containing 15 comments was received, inquiring about the technical details of EPA's site investigation and remediation. EPA explained its technical rationale for all the questions raised, demonstrating that its investigation, remediation, and monitoring thereof justify the deletion of the Site. A responsiveness summary was prepared and placed in both the docket, EPA-HQ-SFUND-1990-0010, on www.regulations.gov, and in the local repositories listed above.

EPA maintains the NPL as the list of sites that appear to present a significant risk to public health, welfare, or the environment. Deletion from the NPL does not preclude further remedial action. Whenever there is a significant release from a site deleted from the NPL, the deleted site may be restored to the NPL without application of the hazard ranking system. Deletion of a site from the NPL does not affect responsible party liability in the unlikely event that future conditions warrant further actions.

Federal Travel Regulation; Removal of Conference Lodging Allowance Provisions**AGENCY:** Office of Government-wide Policy (OGP), General Services Administration (GSA).**ACTION:** Final rule.

SUMMARY: GSA is amending the Federal Travel Regulation (FTR) by removing the conference lodging allowance reimbursement option for employees on temporary duty (TDY) travel. This case is included in GSA's retrospective review of existing regulations under Executive Order 13563. Additional information is located in GSA's retrospective review available at: www.gsa.gov/improvingregulations.

DATES: *Effective:* October 31, 2013.

FOR FURTHER INFORMATION CONTACT: For clarification of content, contact Mr. Cy Greenidge, Program Analyst, Office of Government-wide Policy, at 202-219-2349. Please cite FTR Amendment 2013-01; FTR case 2012-301. SUPPLEMENTARY INFORMATION:**A. Background**

GSA published a proposed rule in the **Federal Register** on October 23, 2012, (77 FR 64791). The proposed rule recommended the removal of the conference lodging allowance option from the FTR. While the proposed rule indicated the conference lodging allowance allows travelers to exceed the lodging rate by up to 25 percent when the conference is sponsored by a Federal agency, this allowance also can apply to

travelers attending non-Government sponsored conferences. The proposed rule also incorrectly stated that an agency official must approve actual expense allowance requests, but there is no such mandate for the use of the conference lodging allowance. In actuality, the Government agency sponsoring a Government conference or the travel approving official of a Government employee attending a non-Government sponsored conference must authorize reimbursement of the conference lodging allowance when lodging is not available at the established lodging per diem rate.

The public had 60 calendar days to comment on the proposed rule. GSA made no significant changes to the substance of this final rule.

B. Analysis of Public Comments

Comments: Two respondents expressed support for the proposed rule by indicating that the conference lodging allowance should be removed promptly and that agencies need to have a way to limit and keep track of how travel dollars are spent.

Response: Although no response is required, GSA appreciates all comments.

Comments: One respondent stated that too many Federal employees attend conferences wasting taxpayer dollars instead of using alternatives (e.g., teleconferencing, video conferencing, webinars).

Response: Agencies should always ensure and justify that travel is necessary to accomplish the agency mission, as well as consider the use of technologies (e.g., teleconferencing, video conferencing, webinars) in lieu of travel.

Comments: Three respondents did not want the conference lodging allowance provision removed from the FTR. They indicated that the proposed rule did not take into account additional transportation costs that might occur if employees lodged away from the conference site; that removal of the conference lodging allowance would be extraordinarily burdensome for little or no financial benefit in terms of administrative costs; and that the removal of the conference lodging allowance will result in increasing agency travel expenditures for transportation.

Response: This rule amends FTR section 301-74.6 by indicating that when lodging is not available at the applicable per diem rate, travelers should construct a cost comparison, including all travel-related costs of the available options. If the cost comparison shows that obtaining lodging at the

conference facility results in the lowest total travel costs, the agency may authorize actual expense reimbursement. Agencies must develop internal policies concerning when to authorize this method of reimbursement. The preamble to the proposed rule was incorrect about approval not being mandatory when using the conference lodging allowance; however, this has been addressed in the preamble of this final rule.

Comments: One respondent indicated that this rule would make it difficult for the hospitality industry to meet the lodging needs of Federal conference attendees.

Response: Removing the conference lodging allowance provision will allow employees to spend taxpayer dollars more prudently when traveling for the Federal Government. While industry may offer rates as it sees fit, travelers should always look for hotels that are at or below per diem when they are on official travel.

Comments: One respondent expressed frustration with their E-Gov Travel System when booking hotels and the costs of contract city pair flights.

Response: The purpose of this rule is to remove the conference lodging allowance provisions from the FTR. Therefore, the comments about electronic systems and contract carrier prices are beyond the scope of this final rule.

C. Executive Order 12866 and Executive Order 13563

Executive Orders (E.O.s) 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives, and if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). E.O. 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This is not a significant regulatory action, and therefore, was not subject to review under Section 6(b) of E.O. 12866, Regulatory Planning and Review, dated September 30, 1993.

D. Regulatory Flexibility Act

This final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.* This final rule is also exempt from the Administrative Procedure Act pursuant to 5 U.S.C. 553(a)(2) because it applies to agency management or personnel.

E. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FTR do not impose recordkeeping or information collection requirements, or the collection of information from offerors, contractors, or members of the public that require the approval of OMB under 44 U.S.C. 3501, *et seq.*

F. Small Business Regulatory Enforcement Fairness Act

This final rule is also exempt from Congressional review prescribed under 5 U.S.C. 801. This final rule is not a major rule under 5 U.S.C. 804.

lodging is not available at the applicable per diem rate, travelers should construct a cost comparison of all associated costs, including round-trip ground transportation, between finding lodging at the applicable per diem rate away from the conference locality and using the actual expense method at the conference locality as prescribed in Subpart D of Part 301–11 of this chapter.

44 CFR Part 64

[Docket ID FEMA–2013–0002; [Internal Agency Docket No. FEMA–8303]

Suspension of Community Eligibility

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Final rule.

SUMMARY: This rule identifies communities where the sale of flood insurance has been authorized under the National Flood Insurance Program (NFIP) that are scheduled for suspension on the effective dates listed within this rule because of noncompliance with the floodplain management requirements of the program. If the Federal Emergency Management Agency (FEMA) receives documentation that the community has adopted the required floodplain management measures prior to the effective suspension date given in this rule, the suspension will not occur and a notice of this will be provided by publication in the **Federal Register** on a subsequent date. Also, information identifying the current participation status of a community can be obtained from FEMA’s Community Status Book (CSB). The CSB is available at <http://www.fema.gov/fema/csb.shtm>.

DATES: Effective Dates: The effective date of each community’s scheduled suspension is the third date (“Susp.”) listed in the third column of the following tables.

FOR FURTHER INFORMATION CONTACT: If you want to determine whether a particular community was suspended on the suspension date or for further information, contact David Stearrett, Federal Insurance and Mitigation Administration, Federal Emergency Management Agency, 500 C Street SW., Washington, DC 20472, (202) 646–2953.

SUPPLEMENTARY INFORMATION: The NFIP enables property owners to purchase Federal flood insurance that is not otherwise generally available from private insurers. In return, communities agree to adopt and administer local floodplain management measures aimed at protecting lives and new construction
