GSA offers requisition solutions that can accommodate any simple or complex requirement through the entire human-capital life cycle including Human Capital Management, Administrative Support, Social Services and Equal Employment Opportunity (EEO). The human-capital life cycle consists of the phases an employee experiences from the recruitment process through departure. It connects all facets of human-capital management, and provides a practical, systemic, and dynamic approach tied to the needs of the business and its customers.

We offer two procurement solutions that meet your agency’s Human Capital needs.

**The GSA Schedule** is a convenient, effective option for both buyers and sellers. Buyers enjoy simplified ordering procedures and reduced prices, while sellers can connect with federal buyers quickly and easily. The Schedule supports compliance but also allows for flexibility to meet your buying needs of:

**Benefits:**

- Negotiated contract ceiling prices
- Opportunities for discounts at the order level
- Single contracting vehicle to fulfill complex or ongoing needs and reduce overall contract awards and administration
- Less administrative time and contract documentation, since the master contract is managed by GSA
- Meets OMB Mandates for using existing contracts and reaching Tier 2 spend under management goals
- Socioeconomic credit for orders awarded to small business and other socioeconomic categories
