Warranty:
Krug warrants the construction and the finish for all our products to be free from defect in materials and workmanship for a period of 10 years from the date of purchase. This warranty does not apply to components not manufactured by Krug including textiles, which are subject to the specific warranties of those manufacturers, if any. Textiles (fabric, leather, vinyl, or any other covering material) suppliers do not guarantee their products for durability and color fastness, and not does Krug. Casters, mechanical and electrical components have a warranty of five years from the date of purchase. The Krug warranty does not apply to COM specified materials; damage caused by a carrier other than Krug, or variation in wood finishes due to natural wood color variations. Krug cannot be held responsible for variations in fabric dye lots from order to order. All fabric is carefully inspected when it is received, but a degree of variation in color should be expected. Repair or replacement of any defect covered by Krug warranty will be made at no charge to the original purchaser during the warranty period. This warranty does not apply to defects resulting from negligence, misuse, alteration, improper cleaning, stains or accidents. Krug’s judgement will be final in all matters concerning the condition of the defect, and the necessity or manner of repair. Krug is not responsible for the damage or degradation of product that may occur due to extreme hot or cold temperatures after it has left Krug. Krug product should not be exposed to any extreme hot or cold temperatures during its life. All products should be stored in climate-controlled warehousing and should be transported on climate-controlled trailers and containers, in order to protect its integrity. Trailers and containers should not be used for storage of products. Products should remain in a climate-controlled environment until the time that transport commences, and should be moved into a climate-controlled environment as soon as transport is complete. Exposure to extreme heat or cold temperature voids the Krug warranty. This warranty applies to products sold in North America only, and in made by Krug only to the original purchasers acquiring our products through authorized Krug dealers, directly from Krug, or from others specifically authorized to sell our products.

Resolution of Problems with Orders:
The GSA National Customer Service Center (NCSC) is the point to which all discrepancy reports (as well as quality deficiency reports) should be addressed for processing: GSA National Customer Service Center, 800-488-3111 or NCSCcustomer.service@gsa.gov
