MRO Training – Before We Start

- Mute your phones
- Make sure you are signed in with your first and last name for CLP
- Meeting will start at 10am CST/11am EST
- Please chat your questions in the chat box
Maintenance, Repair & Operations (MRO) Purchasing Solution, a Federal Strategic Sourcing Initiative

U. S. General Services Administration
Strategic Sourcing Initiative

- MRO BPAs are a Strategic Sourcing Solution
  - Strategic sourcing is the structured and collaborative process of critically analyzing an organization’s spending patterns

- Strategic Sourcing goals
  - Better leverage the Government’s purchasing power
  - Reduce total cost of ownership
  - Improve mission delivery and performance
  - Seek a more effective Government-wide acquisition approach
MRO as a Strategic Sourcing Solution

- MRO supplies were identified as a key commodity
- Government spends estimated $1.6 billion per year on MRO supplies
- GSA collaborated with top spend agencies to develop MRO goals
  - Uniform prices
  - Measurement of total cost savings
  - Reporting/transactional data to aid agencies in managing their MRO spend
  - Socio-economic goals
  - Drive regulatory compliance
  - Provide sustainable solutions
MRO Commodity: Channels

- Two core areas of concentration
- Purchasing and Requisition
  - Purchasing: Self service - Available now!
    - Order using SmartPay2® or Government-issued purchase card or purchase order to buy products from BPA contractors
  - Requisition: Full service solution – Awarded May 12, 2016
    - Order by NSN or Part Number
    - Order via GSA Advantage!® DLMS, or Global Supply™
    - FEDSTRIP or MILSTRIP
    - Same way as currently ordered in Global Supply™
Why should I use MRO Purchasing Vehicle?

- Average prices are 12% lower than what most agencies are paying now for the same or similar products
- Additional discounts may be available once Government-wide cumulative thresholds are reached, triggered at $12.5M, $25M, $37.5M, $50M, and $62.5M
- The more customers buy through the MRO Purchasing, the quicker agencies will benefit from additional discounts
- The PMO’s dynamic pricing strategy, using the transactional data provided by MRO contractors, has been implemented to keep pricing competitive
MRO BPA Period of Performance

- Period of Performance
  - Base Period: One year from the date of BPA establishment
  - Option Years: Four one-year potential option periods

- BPA Against MAS
  - All the regulations, laws, and Government program requirements applicable to the contractor’s MAS 51V Schedule Contract will apply at the MRO BPA order level
Awardees

- BPA holders consist of 1 other than small and 7 small businesses
- Contractor information available at [www.gsa.gov/fssimro](http://www.gsa.gov/fssimro)

MRO BPA Categories

- The MRO Purchasing BPAs were established in three distinct categories:
  - Category I: Hardware
  - Category II: Tools & Tool Cabinets
  - Category III: Paints, Adhesives, & Sealants
Category I: Hardware

- Includes products typically found at a hardware or home improvement stores and used to perform repair and maintenance jobs
  - Screws, ladders, brackets, drill bits, welding equipment, hoses, valves, faucets, rollers, drop cloths, storage containers, protective goggles, earplugs, portable air conditioners, portable heaters, humidifiers, dehumidifiers, pumps, compressors, generators, motors, lights, cables, surge protectors, batteries, flashlights
Category II: Tools & Tool Cabinets

- Products consist of hand tools, power tools, and storage specifically for tools
  - Wrenches, shears, screwdrivers, scissors, saws, knives, hammers, drills, tool sets and kits, tool batteries, and tool cabinets
Category III: Paints, Adhesives, & Sealants

- Includes substances used as paints, adhesives, stains and sealants
  - Paints, adhesives, sealants, stains, varnishes, shellacs, lacquers, and small specialized tools and equipment related to painting and finishing
Terms & Conditions

- Standard delivery CONUS is 5-7 business days, FOB destination
- International, OCONUS, and delivery to Alaska, Hawaii, Puerto Rico, and U.S. territories available from contractor
  - Fees may apply
- Contractors may provide overnight, second day, and expedited (3 to 4 day) delivery for an additional fee
- Damaged goods are the contractor’s responsibility if received in damaged condition
  - Contractors have 3 business days to send replacement items
  - Adheres to timeframe of the original order
Terms & Conditions (continued)

- 30 day returns
  - Returned items must be in original packaging
  - Restocking fees may apply
- Purchases made on behalf of the Federal Government are exempt from imposition of most taxes
  - BPA price includes all applicable federal, state, and local taxes
- For specific requirements such as IUID, RFID, MIL-STD-129, or agency-level restrictions
  - Include requirements within delivery orders
  - Communicate directly with MRO BPA contractors
Product Compliance

- Products fulfill customer regulatory requirements
  - All contractors are AbilityOne-authorized distributors
  - Products are Trade Agreement Act compliant
  - For DoD orders exceeding $150,000, products are Berry Amendment compliant
  - Sustainable options: bio-preferred, Energy Star, and Water Sense products available
    - The new Executive Order 13693 was signed 3/25/15, requiring agencies to set targets for issuing contracts for purchasing only bio-based products (See the EO at www.gsa.gov/fssimro)
Buying Options

- Customers can use GSA SmartPay2® or Government-issued purchase card
  - GSA Advantage®
  - DoD FEDMALL
  - Direct from contractor operated websites, phone, fax, or brick and mortar store

- Agency contracting personnel can issue purchase orders directly to contractors if not using SmartPay2® or Government-issued purchase card

- $25 minimum order threshold
  - Customers order direct from contractors for under $25
    - Fee may apply
Procurement Tools

- **eBuy.gsa.gov** is an electronic Request for Quote (RFQ) system designed to allow Government buyers to request information, find sources, and prepare RFQs
FAR 8.4 Ordering Requirements
For orders at or below the micro-purchase threshold

- May place orders at, or below, micro-purchase threshold with any MRO contractor that can meet agency needs [FAR 8.405-3(c)(2)]
- Comparative price analysis is not required
- Not required to solicit from a specific number of schedule contractors
- Justification is not required for brand name or sole source requirements
- Ordering activities should attempt to distribute orders among BPA holders
FAR 8.4 Ordering Requirements

For orders exceeding the micro-purchase threshold, but not exceeding the simplified acquisition threshold

- Place orders with the MRO contractor that can provide the supply that represents the best value [FAR 8.405-3(c)(2)(ii)]
- Provide each contractor a fair opportunity to be considered for each order
- Document circumstances for restricting consideration to less than all MRO contractors offering required supplies and services
- Follow justification requirements for brand name or sole source items
- Conduct a comparative price analysis
FAR 8.4 Ordering Requirements For orders exceeding the simplified acquisition threshold

- Place orders with the MRO contractor that can provide the supply that represents the best value [FAR 8.405-3(c)(2)(iii)]
- Provide your RFQ to all contractors offering required supplies
- Include description of the supplies to be delivered and the basis upon which selection will be made
- Fairly consider all responses received and make award in accordance with your RFQ selection procedures
- Document circumstances for restricting consideration to less than all MRO contractors offering required supplies and services
- Follow justification requirements for brand name or sole source items
- Conduct a comparative price analysis
Best Value

- Past performance
- Special features of supply required for effective program performance
- Trade-in considerations
- Probable life of selected item, compared with similar item
- Warranty considerations
- Maintenance availability

- Delivery terms
- Environmental and energy-efficiency considerations
- AbilityOne preference
- Berry Amendment compliance
- Trade Agreement compliance
- Agency set socio-economic goals

Complete User Profile

On the registration page, make sure your user profile includes your Agency and Sub-Agency or Bureau. If your Bureau isn’t listed, select your Agency name again.
Helpful Information:

- Each contractor has loaded hundreds of thousands of items into GSA Advantage® to support these BPA's. If you are unable to locate the item(s) that you need through MRO, please contact the vendors or the MRO Contracting Officer.

- The blue FSSI Icon is utilized for all FSSI solutions. Searching for MRO products using the general search field on the Home Page, will provide results for all FSSI solutions, with multiple items offered from different vendors. If you follow the instructions on the following slides, your search will reveal only MRO products. The MRO vendors can be found on the following website: FSSI MRO
You’re ready to start ordering

When you are ready to order, return to the homepage. Halfway down the page, you will see two dropdown menus under the words “Strategic Sourcing.” Click on “Products.”
Drop down listing of contractors

After clicking on the product drop down, you will see all of the MRO BPA Purchasing Channel contractors. Click on contractor name to search their MRO BPA offerings.
When you click on a MRO contractor, this will show you their catalog’s product listing.
To search the MRO BPA products by category, click on “View All Strategic Sourcing Offerings”
This screen shows you the three MRO categories to choose from. For instance, you can search for products under “MRO – Hardware”
To see the BPA products offered by each contractor, click on the “Order Products” from the “Ordering” column on the far right.
Here you can see individual products and which contractors carry particular MRO items, marked with a blue FSSI icon.
Another way to search for MRO products is by clicking “Maintenance, Repair & Operations FSSI (BIC)” on the left side of the homepage.
Here you can see individual products and which contractors carry particular MRO items, marked with a blue FSSI icon. Verify the description carries the specifications you require. Make your selection, add to cart, check out, or continue shopping.
MRO sustainable options are available in CPG, BioPreferred, Water Sense, and Energy Star. Look for the appropriate icons on select MRO products.

When you click on an icon, it takes you to a complete listing of all icons and their meaning.
To define your search even more, click “Advanced” on the homepage
Enter the item you are searching for and click on the check box by “Maint, Repair & Operations”
