MAS Consolidation

Phase 1

**Develop the New Schedule**
- Create a new solicitation for the single schedule
- Review every term and condition
- Map duplicate Special Item Numbers (SIN) across the current solicitations
- Use Category Management to better organize offerings
- Release new schedule and close existing schedules to new offers

Phase 2

**Mass Modifications**
- Complete mass modification for all existing contract holders (simply to update terms and conditions)
- Contracts retain current schedule contract number
- Vendors may select SINs that were previously on separate schedules

Phase 3

**Multiple Contract Consolidation**
- Consolidate multiple contracts into a single contract for those contractors

Two Steps of Phase 3
- Realigning Phase 3 contracts to a single PCO (31% complete)
- Combining items under a single “surviving” contract

R3 MAS SMO Initiatives
- Standardizing award of reseller contracts based on markup vs discount
- Standardizing approval process for Commercial Supplier Agreements
- Examining current structure of SBSA SINs
- Improve process for incorporating SCLS Wage Determinations
- Examining current MAS contract scope designation options
- Examining current FOB requirements across MAS Program
