INVITATION FOR BIDS
IFB No. SFRAN922049717
Amended on August 8, 2022

2
The Property, as described at Exhibit A, has been subdivided for sale purposes into two properties (Laboratory and Office) to reflect specific conditions of sale and the timing of the conveyance as described in Paragraphs 3 and 4 below.

3. LABORATORY PROPERTY
This portion of the Property is approximately 9.0 +/- acres (the “Laboratory Property”) and described at Exhibit B. Multiple buildings on the Laboratory Property were used for research laboratory purposes in which chemicals or hazardous materials were used or stored. USGS will be responsible for the decommissioning process which consists of formally deactivating the laboratories assuring safety for further occupancy in accordance with American National Standards Institute (ANSI)/American Society of Safety Professionals (ASSP Z0.11 - 2016).

Decommissioning will consist of removing all USGS-owned laboratory equipment and furnishings and cleaning all USGS controlled areas where chemicals or hazardous materials were used or stored. Decommissioning will occur at buildings 2, 3A, 4, 9E, 9G, 10, 11, 12, 15, and 16. The decommissioning process will begin once all USGS’ employees have vacated from the laboratories.

To accommodate the completion of the decommissioning process, the Government will temporarily retain these laboratory buildings and exclude this real property from the initial conveyance. The projected completion date of decommissioning is anticipated to be December 30, 2024. However, the Government reserves the right to convey the Laboratory Property no later than three (3) years from closing coterminous with the release of the Reserved Estate as described in Paragraph 4 below.

Once the decommissioning process has concluded, the Government will provide the Purchaser with the following reports:

- Final Status Survey Report (FSSR)
- Decommissioning Report

The Government shall provide these reports and notice to the Purchaser at least 30 days prior to the execution and delivery of the Quitclaim Deed for the Laboratory Property to the Purchaser’s Escrow Holder for recordation. The Purchaser will be required to record the Quitclaim Deed to the Laboratory Property within 5 days after delivery of the Quitclaim Deed in escrow.

The Government will execute a Quitclaim Deed, substantially in the form of the deed made available at RealEstateSales.gov and GSA.gov/RockawayGrove and is incorporated into this IFB by reference, to convey the Laboratory Property to the successful bidder upon completion of the decommissioning process or not later than three (3) years following closing.

4. OFFICE PROPERTY: RESERVATION OF ESTATE
This portion of the Property is approximately 8.0 +/- acres (the “Office Property” or “Reserved Property”). To accommodate the continued occupancy by USGS and the construction of USGS’s new facilities at another location, the Government will remain on the Office Property after conveyance.

The Government will convey the Office Property to the Purchaser, subject to a reservation of an estate (“Reserved Estate”) over the Office Property for a term of up to three (3) years following closing. The terms and conditions of the Reserved Estate are provided in Exhibit D.

In the event that the Government opts to terminate the Reserved Estate prior to the three year period, the Purchaser is obligated to accept the Office Property at such earlier date. Following termination of Federal occupancy and ownership of the Property, the existing McKelvey Building (Building 15) shall no longer be referred to by the Purchaser, its successors, and assigns as the "McKelvey Building" per GSA Public Building Service signage guidance.

The Government will execute a Quitclaim Deed, which will include the Reserved Estate, substantially in the form of the deed made available at RealEstateSales.gov and GSA.gov/RockawayGrove and is incorporated into this IFB by reference, to convey the Office Property. This conveyance will occur at closing and will exclude the Laboratory Property.

a. AUTOMATIC BID
   Also known as “bid by proxy” wherein the bidder establishes a person to bid on their behalf at auction up to a certain limit. In the case of online auctions, computers have automated the proxy role and bidders establish their bid limits online and the software answers bid challenges by automatically making the next bid increment up to the proxy limit.
   
b. BACKUP BIDDER
   The term “Backup Bidder” refers to the bidder, whose bid conforms to the terms and conditions of the IFB, is the second-highest dollar bid at the close of the auction and is determined by the Government to be the second most acceptable bid.
   
c. BIDDER(S)
   The term “Bidder” or “Bidders” as used herein refers to the offeror or offerors for the purchase of the subject Property and is used interchangeably with “you.”

Once a bid is accepted by the Government for contract, all prior deposits made by the Purchaser to register for the sale, subject to this Invitation for Bids, become Earnest Money to the benefit, custody, accountability, and control of the Government.
   
g. FLAT BID
   A flat bid is for an amount at least the current bid plus the posted minimum Bid Increment. If the bid is greater than another bidder’s automatic bid, the system will consider this flat bid as the current (winning) bid. If the bid is less than or equal to another bidder’s automatic bid, the system will record the bid, but it will not be considered the current (winning) bid.

In the event that the Government does not convey the Laboratory Property within 3 years after the date of Closing for the Office Property, the Government’s liability to Purchaser shall be strictly limited and the Government shall pay the Purchaser as fixed and agreed liquidated damages of $6,000 for each and every calendar day the Government is delayed in conveying the Laboratory Property. The amount payable shall be paid monthly in arrears. All other terms and conditions of the Reservation shall apply to the Office Property. The Purchaser is not entitled to a refund of the Purchase Price.

11. TITLE EVIDENCE
Any bidder, at its sole cost and expense, may procure any title evidence that the said bidder desires. The Government will, however, cooperate with the Purchaser or their authorized agent in this transaction, and will permit examination and inspection of such deeds, abstracts, affidavits of title, judgments in condemnation proceedings, or other documents relating to the title of the premises and Property involved, as it may have available. It is understood and agreed that the Government is not obligated to pay for any expense incurred in connection with title matters or survey of the Property.

12. TITLE

Sample Quitclaim Deeds are available at GSA.gov/RockawayGrove & RealEstateSales.gov and are incorporated into this IFB by reference. The Government does not pay for or provide title insurance.

If the bidding entity chooses to vest title to the properties (Office and Laboratory) in separate corporate entities, the vesting entities must also meet the requirements set forth in Terms of Sale, Paragraph 22, Compliance With Section 889 Part B and Paragraph 23, Excluded Parties. In accordance with Terms of Sale, Paragraph 21, Antitrust Laws, the identities of the vesting entities must also be presented to the Government.

Designation of a separate corporate entity for vesting of title does not relieve the bidding entity from any obligations under the contract of sale including the reservation over the property.

13. EASEMENTS, ENCROACHMENTS AND RESERVATIONS
The Property will be sold subject to any and all covenants, reservations, easements, restrictions, encroachments, and rights, recorded or unrecorded, in favor of third parties, for highways, streets, power lines, telephone lines and equipment, pipelines, drainage, sewer and water mains and lines, public utilities, public roads, railroads and other rights-of-way, and any easements, reservations, rights and covenants reserved by the Grantor herein.

14. COVENANT AGAINST CONTINGENT FEES
The Purchaser warrants that he or she has not employed or retained any person or agency to solicit or secure this contract
upon any agreement or understanding for commission, percentage, brokerage, or contingent fee. Breach of this warranty shall give the Government the right to annul the contract without liability or in its discretion to recover from the Purchaser the amount of such commission, percentage, brokerage, or contingent fee in addition to the consideration herewith set forth. This warranty shall not apply to commissions payable by the Purchaser upon the contract secured or made through bona fide established commercial agencies maintained by the Purchaser for the purpose of doing business. “Bona fide established commercial agencies” has been construed to include licensed real estate brokers engaged in the business generally.

15. CONTINUING OFFERS
Each bid received shall be deemed to be a continuing offer for one-hundred and twenty (120) calendar days after the close of the online auction until the bid is accepted or rejected by the Government.

If the Government desires to accept any bid after the expiration of the one-hundred and twenty (120) calendar days, the consent of the bidder shall be obtained prior to such acceptance.

16. TENDER OF PAYMENT AND DELIVERY OF INSTRUMENTS OF CONVEYANCE
Prior to closing, the Purchaser or Purchaser’s agent must open an escrow account with an independent, unaffiliated escrow company (“Escrow Holder”) to handle the closing. All closing costs, including escrow fees and document handling expenses, shall be borne solely by the Purchaser. As part of the closing, the Government will provide escrow instructions to the Escrow Holder regarding the recording, disposition of proceeds and related matters.

As part of the closing, the Government requires contact information for an authorized representative of the owner for property management of the Office Property during the 3 year reservation. The contact information should include the following: name, title, phone number, email address and mailing address.

The Government will convey the Property in separate conveyances and closings. The closing date of the sale for the Office Property is one-hundred and twenty (120) calendar days after acceptance of the bid. Upon written agreement by the Government, the Purchaser may close the transaction prior to the one-hundred and twenty (120) calendar day period. The closing date for the Laboratory Property will be no later than 3 years after the closing date of the Office Property.

The purchase price for the Property will be allocated between the Office Property and Laboratory Property as follows:

<table>
<thead>
<tr>
<th>Property</th>
<th>Percentage of Purchase Price</th>
</tr>
</thead>
<tbody>
<tr>
<td>Office Property</td>
<td>48%</td>
</tr>
<tr>
<td>Laboratory Property</td>
<td>52%</td>
</tr>
</tbody>
</table>

On the closing date for the Office Property, the Purchaser shall tender to the Purchaser’s Escrow Holder the balance of the purchase price, for the entire sale Property regardless of the timing of conveyance of the Laboratory Property, in the form of an electronic wire transfer. Upon confirmation that Purchaser’s funds have been received by the Purchaser’s Escrow Holder, the Government shall deliver the quitclaim deed for the Office Property the instrument, or instruments to the Purchaser’s Escrow Holder for recordation. The Government reserves the right to extend the closing date for a reasonable amount of time.

Per Paragraph 3, Page 2, Property Description, the Government will provide the Purchaser with final reports following completion of the decommissioning process and establish a closing date for the Laboratory Property that will be at least 30 days after delivery of these reports. The Purchaser shall identify an Escrow Holder for this closing and the Government will deliver a Quitclaim Deed for the Laboratory Property to the Purchaser’s Escrow Holder for recordation.

17. DELAYED CLOSING
Any change to the established closing date for the Office Property is subject to the written approval by the Government. If desired, the Purchaser must request for the extension no later than 45 days before the established closing date. The Government reserves the right to refuse a request for extension of closing.

However, if the Government grants an extension, the Purchaser may be required to pay approximately $3,800,000.00 on the established closing date, if the delay is caused, directly or indirectly, by the Purchaser’s action or inaction and not by any action on the part of the Government. This Delayed Closing Fee will be in addition to the purchase price and will not be deducted from the purchase price. Purchaser understands and agrees that this Delayed Closing Fee is a payment for any granted extension and will not be applied against the Purchase Price. A request for a delayed closing longer than 60 days calendar days will not be considered.
18. CLOSING COSTS, DOCUMENTARY STAMPS AND COST OF RECORDING
All closing costs, including escrow and financing fees, shall be borne solely by the Purchaser. The Purchaser shall pay all taxes and fees imposed on this transaction and shall obtain at Purchaser’s own expense and affix to all instruments of conveyance and security documents such revenue and documentary stamps as may be required by Federal, state, and local law.

All instruments of conveyance and security documents shall be placed on record in the manner prescribed by local recording statutes at the Purchaser’s expense.

Within five (5) business days from receipt of the executed deeds, the Purchaser’s Escrow Holder shall record the quitclaim deeds in the official records of the county. The Purchaser’s Escrow Holder shall email GSA a conformed copies of the recorded quitclaim deeds for the Office Property and Laboratory Property within three (3) business days of recording to GSA.

19. OFFICIALS NOT TO BENEFIT

GSA employees are prohibited from bidding on the Property offered in the IFB.

20. CAPACITY TO CONTRACT
Bidders must have the legal capacity to enter into a contract in order to bid and acquire the Property.

21. ANTITRUST LAWS
The contract made by the acceptance of a bid by the Government may be transmitted to the Attorney General of the United States for advice as to whether the sale would tend to create or maintain a situation inconsistent with antitrust laws. The Government may rescind the acceptance of any bid in case unfavorable advice is received from the Attorney General, without liability on the part of the Government other than to return any and all deposits held by the Government without interest.

22. COMPLIANCE WITH SECTION 889 PART B
By signature of the Bidder Registration and Bid Form, bidders hereby certify that their entity is in compliance with Section 889, Prohibition of Certain Telecommunications and Video Surveillance Services or Equipment of the Fiscal Year 2019 National Defense Authorization Act (Pub. INSTRUCTIONS TO BIDDERS

1. AUCTION START DATE
The auction opens on Tuesday, June 21, 2022 at 11:00 a.m. (Central Time).

2. TYPE OF SALE
This sale will be an online auction conducted at RealEstateSales.gov. The auction will be conducted over a period of time, usually several weeks, as determined by bid activity. The date of the auction close (see Paragraph 10, Auction Close) will be announced at RealEstateSales.gov, with at least three business days prior notice. The auction may continue beyond that date as long as bidders continue to submit higher bids. Thus, the bidders determine when the sale closes by their bidding activity.

3. BIDS AND TERMS OF SALE
Bids to purchase must be ALL-CASH. Buyers are expected to arrange their own financing and to pay the balance in full by the closing date. No Government credit terms are available. GSA has no information on the availability of private financing or on the suitability of this Property for financing.

4. STARTING BID
This auction is being opened with an amount which does not represent the value of the Property but rather provides a reasonable starting point for the online auction. The starting bid will be displayed as the Current Bid. The Government seeks to obtain fair market value for the Property and reserves the right to reject any and all bids.

5. BIDDER REGISTRATION AND DEPOSIT
a. Bidder registration is a three-step process:

A previously registered bidder of GSAAuctions.gov can login using the established Username and Password. In the event you forget your Username or Password, or both, or are locked out from the system, it is your responsibility to obtain your Username and Password from RealEstateSales.gov. GSA staff
GSAAuctions.gov has implemented Multi-Factor Authentication (MFA) for access to RealEstateSales.gov. Every user must register their User ID information if they have not yet set up their MFA. Once registered, you may log in using your email and password and a numeric verification code. This verification code is delivered to you by one of the delivery methods you chose during your registration process. For additional information on MFA, please review the GSAAuctions.gov Frequently Asked Questions (FAQ) page.

You may register as either an individual or as a company and this information must be the same information provided on the Bidder Registration and Bid Form for Purchase of Government Real Property. Changes to title may be considered after bid acceptance at the discretion of the Government. If you wish to participate as an individual and a representative of a company, you must register separately for each and place bids accordingly.

In accordance with Public Law No. 104-134, Section 31001, the Debt Collection Improvement Act of 1996, the Tax Identification Number (TIN) must be provided by anyone conducting business with the Federal Government, from which a debt to the Government may arise. Individuals cannot successfully register to bid on items without providing a TIN. A TIN is defined as an individual's Social Security Number (SSN) or business entity’s Employer Identification Number (EIN). If you registered as an Individual, your SSN will be validated with your name and address. If you registered as a Company, your business identity’s EIN will be validated with your company name and address. The use of an individual’s SSN is subject to the Privacy Act of 1974 (5 U.S.C. Section 552a) and will be collected to verify the data submitted by the user.

6. BIDDING IN GENERAL

a. Registered bidders may bid online by following the instructions at RealEstateSales.gov. By submitting your bid through RealEstateSales.gov, you agree that your bid is a binding offer. You will be legally obligated for any and all bids submitted using your Username and password.

After successful completion of the registration process, users, also known as “Bidders,” are permitted to participate in online auctions. The Bidder Menu provides you with the capability to browse and place bids; track items of interest; follow auctions where bids have been placed; to change your personal information and settings; and to access an easy-to-use online Help Menu.

GSA Auctions® provides up-to-date information on your bidding status. You can check the bidding status by clicking on the Bid History.

b. Bids received through RealEstateSales.gov are date and time stamped Central Time. The Government will not be responsible for any discrepancies between the time indicated on the Website and the apparent time indicated, displayed, or otherwise stated or represented by a registered bidder.

c. Bids must be submitted without contingencies.

d. Bidders that are currently in default status on GSA Auctions®, for non-payment or non-removal of items, will not be allowed to place bids for real property. They will only be allowed to “browse” the items. Once a bidder cures their default, they will be unblocked and be given access to begin bidding on items upon receipt of the required Registration Deposit. For more information, review the GSA Auctions® Terms and Conditions.

7. CONTINUOUS BIDDING RESULTS AND AUCTION INFORMATION

Bidders are strongly encouraged to monitor bidding activity at RealEstateSales.gov. Bidders may also review bid activity by clicking on the “My Messages” tab once logged in. New bids are immediately posted at RealEstateSales.gov upon receipt. If you no longer have the high bid and the sale has not closed, you can go back to the item and place another bid. Bids cannot be lowered or canceled.

If your bid is not accurately shown on RealEstateSales.gov, then you should call GSA Administrative Officer, Luis Blandon at 415-734-8367 or GSA Realty Specialist, Chelsey Battaglia at 415-730-8093. Bidders are urged to pay close attention to RealEstateSales.gov which will contain new, revised, and useful information regarding the high bid, modification to bid increment and the closing date of the auction that is subject to change. Bidder agrees and accepts that notices of any changes to the terms and conditions of sale or instructions to bidders is satisfactory when made available on either or both of GSA’s real property disposal websites at RealEstateSales.gov and/or disposal.gsa.gov.

8. ONLINE BIDDING

RealEstateSales.gov allows you to place either a flat or automatic (“proxy”) bid. A flat bid is for an amount at least the current bid plus the posted minimum Bid Increment. If the bid is greater than another bidder’s automatic bid, the system will consider this flat bid as the current (winning) bid. If the bid is less than or equal to another bidder’s automatic bid, the system will record the bid, but it will not be considered the current (winning) bid. The required minimum bid will be specified on the bid screen and once entered it will be displayed as the winning bid unless an automatic bid that is greater than this amount has been placed.

An automatic bid is an amount that you set above the posted minimum bid. Realstatesales.gov will use as much of your bid as needed to make you the current winner of the auction or to meet the auction’s reserve price.
The system will automatically apply the minimum Bid Increment up to the total amount bid to make you the current winner of the auction or to meet the auction’s reserve price. Your automatic bid amount is not shown to other bidders until it is reached through competitive bidding. You may change your bid amount but not less than the next bid increment amount. If the system reaches your automatic bid limit, it stops bidding for you. Submit another bid if you want to continue bidding. If you selected to receive e-mail notifications during registration, the system will notify you if you are no longer holding the winning bid. You can submit another flat bid or reset your automatic bid amount if you want to continue bidding. Your automatic bid is not shown to other bidders. If a reserve price is set, RealEstateSales.gov will use as much of your bid as needed to meet the reserve price.

If a bidder places a bid with the same automatic bid amount as another bidder, the previous (first) bidder will have the high bid since their bid was placed first. Both bids are recorded with the same amount, displaying the first bidder with the same amount as high bidder, until another bidder bids higher.

When two automatic bids compete, the greater of the two always wins. If the greater automatic limit does not exceed the lesser automatic limit by the full stated Bid Increment, then the greater automatic limit bid is placed. You may increase or decrease your automatic bid limit at any time. You cannot decrease your automatic bid below the current bid. If you are currently the winner in an auction, increasing your automatic bid will not increase your current bid until challenged by another bid. Changing your automatic bid may affect the indicated time remaining.

If you learn from RealEstateSales.gov that your bid was not the high bid, or if another bidder exceeds your previous high bid, you may increase your bid at RealEstateSales.gov until such time as bidding is closed. Increases in previously submitted bids are welcome and your Registration Deposit will apply to subsequent increased bids. All increased bids must be made online.

The Government reserves the right to modify the Bid Increment at any time prior to the close of the auction.

9. TRANSMISSION AND RECEIPT OF BIDS
The Government will not be responsible for any failure attributable to the inability of the bidder to transmit or the Government to receive registration information, bid forms or a bid by any method. Failure to receive registration information, bid forms or a bid may include, but is not limited to the following:

a. Receipt of a garbled or incomplete bid.
b. Availability or condition of the sending or receiving electronic equipment.
c. Incompatibility between the sending and receiving equipment and software.
d. Malfunctioning of any network, computer hardware or software.
e. Delay in transmission or receipt of a bid.
f. Failure of bidder to properly identify the bid.
g. Security of bid data.
h. Inability of bidder to enter bid. For example: due to lost or forgotten password or system lock due to repeated login failures.
i. Unavailability of GSA personnel.

If your bid is not accurately shown or you cannot enter a bid at RealEstateSales.gov then you should call GSA Administrative Officer, Luis Blandon at 415-734-8367 for assistance.

The Website will NOT be available during the following system maintenance windows:
• Saturday: 5:00 a.m. to 8:00 a.m. Central Time
• Sunday: 6:00 a.m. to 10:00 a.m. Central Time

Occasionally, technical problems will interrupt the bidding process for an unspecified amount of time. These interruptions may affect some or all bidders. In the event of an interruption, an evaluation of the length of interruption time and the numbers of bidders affected may prompt GSA AuctionsSM to extend the closing time for an auction. Extension may range from 1 hour to
24-hours based on the aforementioned criteria, to ensure fair and full competition. An email notification will be sent to those bidders who participated in these auctions when they are extended.

10. CLOSE OF AUCTION
   a. Posting of the Close of Auction. The Government will post on the Website the date and time on which the auction is anticipated to close (shown on the Website as “Close Time”), currently established on August 31, 2022, as the Soft Close Date. The Website will also show the days, hours and minutes remaining until the Close Time (shown on the Website as “Time Remaining”).

   b. Inactivity Period and Closing of Auction. When the Close Time is posted, a twenty-four (24)-hour inactivity period is established (shown on the Website as the “Inactivity Period”) and is posted under the “Bidding Details” tab of the Website. Note that the Website shows the Inactivity Period in minutes with 24 hours represented as 1440 minutes. In order for the Auction to close, the High Bid must remain unchanged for the Inactivity Period. Each time a new High Bid is received within the Inactivity Period or if the maximum amount that a Bidder is willing to pay for the Property under a proxy Bid is changed within the Inactivity Period, the Auction will automatically extend for an additional 24-hour Inactivity Period. The Time Remaining and Close Time will adjust accordingly. If the High Bid remains unchanged for the full Inactivity Period, the Auction will close.

   c. Exceptions for Weekends and Holidays. Notwithstanding the foregoing, online auction sales cannot end on Weekends or Federal Holidays. Therefore, if the posted Inactivity Period extends into a Weekend or Federal Holiday, which the Website defines as the time between: (i) 12:00 am on Saturday until 11:59 pm on Sunday; or (ii) the 24-hour period between 12:00 am to 11:59 pm on any Federal Holiday, the Auction will automatically extend to the same time on the first business day following the Weekend or Federal Holiday. Examples are in the table below. Federal Holidays are listed here List of Federal Holidays. When the Inactivity Period is set for less than 24 hours, the auction will not close outside of open business hours. Business hours are 8 a.m. to 5:00 pm Central Time.

11. ACCEPTABLE BID
An acceptable bid is one received from a responsible bidder, whose bid, conforming to this IFB, will be most advantageous to the Government.

12. BID EXECUTED ON BEHALF OF BIDDER
A bid executed by an attorney or agent on behalf of the bidder shall be accompanied by an authenticated copy of their Power of Attorney or other evidence of their authority to act on behalf of the bidder.

If the bidder is a corporation, the Certificate of Corporate/Organization Bidder, included in this IFB, must be executed. The certificate must be executed under the corporate seal by some duly authorized officer of the corporation other than the officer signing the bid. In lieu of the Certificate of Corporate Bidder, there may be attached to the bid, copies of so much of the records of the corporation as will show the official character and authority of the officer signing, duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.

If the bidder is a partnership, and all partners sign the bid, with a notation that they are all general partners, the Government will not ordinarily require any further proof of the existence of the partnership. If all the partners do not sign the bid, then the names of all those except limited partners must be furnished on the bid form and the Government, in its discretion, may require evidence of the authority of the signer(s) to execute bids on behalf of the partnership. The name(s) and signature(s) of the designated bidder(s) must be included on the Bidder Registration and Bid Form.

If the bidder is a limited liability company, a certificate of the LLC must be completed and executed by the manager and submitted with the Bidder Registration Form. The Certificate of Corporate/Organization Bidder form may be used for this
13. NOTICE OF ACCEPTANCE OR REJECTION

Notice by the Government of acceptance or rejection of the bid shall be deemed to have been sufficiently given when faxed, mailed, or e-mailed to the bidder or their duly authorized representative at the fax number, physical address, or e-mail address indicated on the Bid Form. The processing of a registration deposit by the Government shall not, in itself, constitute acceptance of the bidder’s offer. The Government reserves the right to reject any or all bids or portions thereof for any reason. A sample Bid Acceptance Letter is available at GSA.gov/RockawayGrove & RealEstateSales.gov and is incorporated into this IFB by reference.

14. AUCTION SUSPENSION OR CANCELLATION

The Government reserves the right to temporarily suspend or cancel the auction for any reason without accepting a bid and resume the auction or start a new auction at any time. In the event of a temporary suspension due to technical problems, or other bidding issues, the Government will determine the high bidder and the high bid amount; re-open bidding and allow the auction to proceed according to the bidding terms described herein. The Government reserves the right to cancel the sale at any time and Registration Deposits will be returned to bidders without interest or further obligation by the Government.

15. INCREASE OF EARNEST MONEY AND TRANSACTION CLOSING

Within five (5) business days of acceptance of a bid by the Government, the Purchaser agrees to deposit an additional amount, if required, in the form of an electronic wire transfer, which when added to the Registration Deposit, will equal at least ten percent (10%) of the total bid. Failure to provide these funds will result in a default and forfeiture of the Registration Deposit.

Upon written acceptance of a bid, the Earnest Money shall be applied towards payment of the Purchaser's obligation to the Government. The full balance of the purchase price in the form of an electronic wire transfer is payable within one-hundred and twenty (120) calendar days after acceptance of bid. At the time of closing, all monies paid by the Purchaser will be credited, without interest, toward the total purchase price except for any funds provided to delay the closing per Terms of Sale, Paragraph 16, Delayed Closing.

16. REFUND OF REGISTRATION DEPOSITS

Registration Deposits accompanying bids that are rejected will be refunded to bidders without interest. Bidders who provided Registration Deposits by check will receive their check by mail. Refunds will only be processed to the same individual or entity identified on the Bidder Registration and Bid Form for Purchase of Government Real Property. Registration Deposits received from the second highest bidder will be held as stipulated in Paragraph 17, Backup Bidder. All other Registration Deposits will be mailed to Bidders for refunds after the last day of the auction or upon written request to withdraw from the auction unless the bidder is the first or second highest bidder.

17. BACKUP BIDDER

The second-highest bidder will be the Backup Bidder. The bid of the Backup Bidder may be considered for acceptance for the duration of Continuing Offer period described in Terms of Sale, Paragraph 15, Continuing Offers, if: 1) the original High Bidder is unable to fully complete the transaction according to the terms and conditions of the IFB; or 2) if the original High Bidder fails to provide the required 10% of the purchase price as Earnest Money. The Bidder identified as the Backup Bidder agrees that their Bid remains a bona fide offer with which their Registration Deposit may be retained without interest, until the High Bidder provides the 10% Earnest Money or completes the transaction or both, at the Government’s discretion. During the Continuing Offer period, the Bidder identified as the Backup Bidder agrees that they will not request retrieval, chargeback or any other cardholder refund and understands that a debt to the United States of America may be created if their deposits are in any way unavailable to the Government to which any party that participates in such chargeback or refund may be held accountable as provided in Terms of Sale, Paragraph 9, Revocation of Bid and Default. When the Backup Bidder is converted to the High Bidder, all terms, conditions, and agreements described in the IFB are applicable to the successful bidder.

The Registration Deposit of the Backup Bidder will be returned as described in Paragraph 16, Refund of Registration Deposits, if the Backup Bidder is not converted to the High Bidder. In the event that the Government is unable to complete the transaction with the highest or backup bidder, the Government reserves the right to consider the remaining bid(s) and accept a bid that is in the best interest of the Government.

18. ADDITIONAL INFORMATION

GSA will provide additional copies of this IFB and make every effort to answer requests for additional information concerning the Property to facilitate preparation of bids. Each bid shall be deemed to have been made with full knowledge of all terms, conditions, and requirements contained in this IFB and any amendments made thereto prior to bid acceptance. Bidders may also review the information pertaining to the Property at disposal.gsa.gov or RealEstateSales.gov.
19. WAIVER OF INFORMALITIES OR IRREGULARITIES
The Government may, at its election, waive any minor informality or irregularity in bids received.

GRANTEE has inspected, or will have inspected prior to closing, the physical condition of the PROPERTY to the extent felt necessary by GRANTEE, including all improvements thereon, and accepts title to the same "as is" in its existing physical condition. GRANTEE acknowledges that it is not relying upon any representation, warranty statement or other assertion of the United States of America, as GRANTOR, including its agencies or any official, agent representative or employee of the foregoing, with respect to the PROPERTY's conditions except as set forth in the contract, GRANTEE is relying solely and wholly on GRANTEE's own examination of the PROPERTY, is fully satisfied with the PROPERTY, and accepts any liabilities or costs arising in connection with the condition of the PROPERTY, including, but not limited to any costs or liabilities pertaining to any environmental condition on the PROPERTY. Except as set forth in Section C, below, the United States of America and its agencies disclaim any and all express or implied warranties and specifically make no warranties of title, habitability, merchantability, suitability, fitness for any purpose, or any other warranty whatsoever. GRANTEE is put on notice that any prior grant and/or encumbrance may be of record and GRANTEE is advised to examine all public records available regarding the PROPERTY.

   (b) No employee or agent of Grantor is authorized to make any representation or warranty as to the quality or condition of the Property, merchantability, suitability or fitness of the Property for any use whatsoever, known or unknown to Grantor, or compliance with any environmental protection, pollution or land use laws, rules, regulations, orders, or requirements including, but not limited to, those pertaining to the handling, generating, treating, storing, or disposing of any hazardous waste or substance. In no event shall Grantor be responsible or liable for latent or patent defects or faults, if any, in the Property or for remedying or repairing the same including, without limitation, defects related to asbestos or asbestos containing materials, lead, lead-based paint, underground storage tanks, mold, radon or hazardous or toxic materials, chemicals or waste, or for constructing or repairing any streets, utilities or other improvements shown on any plat of the Property.

   (c) Nothing in this "as is, where is" provision will be construed to modify or negate the Grantor’s obligation under the CERCLA covenant or any other statutory obligations.
2. HAZARDOUS SUBSTANCE NOTIFICATION

A. NOTICE REGARDING HAZARDOUS SUBSTANCE ACTIVITY. Pursuant to 40 CFR 373.2 and Section 120(h)(3)(A)(i) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (CERCLA)(42 U.S.C.§9620(h)(3)(A)(i)), and based upon a complete research of agency files, the UNITED STATES OF AMERICA gives notice that no hazardous substances have been released or disposed or stored for one year or more on the Property.

B. CERCLA COVENANT. GRANTOR warrants that all remedial action necessary to protect human and health and the environment has been taken before the date of this conveyance. GRANTOR warrants that it shall take any additional response action found to be necessary after the date of this conveyance regarding hazardous substances located on the Property on the date of this conveyance.

(1) This covenant shall not apply:
   (a) any a case in which GRANTEE, its successor(s) or assign(s), or any successor in interest to the Property or part thereof is a Potentially Responsible Party (PRP) with respect to the Property immediately prior to the date of this conveyance; OR
   (b) to the extent that such additional response action or part thereof found to be necessary is the result of an act or failure to act of the GRANTEE, its successor(s) or assign(s), or any party in possession after the date of this conveyance that either:
      (i) results in a release or threatened release of a hazardous substance that was not located on the Property on the date of this conveyance; or
      (ii) causes or exacerbates the release or threatened release of a hazardous substance the existence and location of which was known and identified to the applicable regulatory authority as of the date of this conveyance.

(2) In the event GRANTEE, its successor(s), or assign(s), seek to have GRANTOR conduct any additional response action, and, as a condition precedent to GRANTOR incurring any additional cleanup obligation or related expenses, the GRANTEE, its successor(s), or assign(s), shall provide GRANTOR at least 45 days written notice of such a claim. In order for that 45-day period commence, such notice must include credible evidence that:
   (a) The associated contamination existed prior to the date of this conveyance; and
   (b) The need to conduct any additional response action or part thereof was not the result of any act or failure to act by the GRANTEE, its successor(s) or assign(s), or any party possession.

C. ACCESS RESERVATION
GRANTOR reserves a right of access to all portions of the Property, for purposes of environmental investigation, remediation, or other corrective action. This reservation includes the right of access to and use of available utilities at reasonable cost to GRANTOR. These rights shall be exercisable in any case in which a remedial action, response action or corrective action is found to be necessary after the date of this conveyance, or in which access is necessary to carry out a remedial action, response action, or corrective action on adjoining property. Pursuant to this reservation, the United States of America, and its respective officers, agents, employees, contractors and subcontractors shall have the right (upon reasonable advance written notice to the record title owner) to enter upon the Property and conduct investigations and surveys, to include drilling, test-pitting, borings, data and records compilation and other activities related to environmental investigation, and to carry out remedial or removal actions as required or necessary, including but not limited to the installation and operation of monitoring wells, pumping wells, and treatment facilities. Any such entry, including such activities, responses, or remedial actions, shall be coordinated with the record title owner, and shall be performed in a manner that minimizes interruption with activities of authorized occupants.

3. NOTICE OF PRESENCE OF ASBESTOS
(a) The Grantee is advised that the Property may contain asbestos-containing materials. Unprotected or unregulated exposures to asbestos in product manufacturing, shipyard, and building construction workplaces have been associated with asbestos-related diseases. Both the Occupational Safety and Health Administration (OSHA) and the Environmental Protection Agency (EPA) regulate asbestos because of the potential hazards associated with exposure to airborne asbestos fibers. Both OSHA and EPA have determined that such exposure increases the risk of asbestos-related diseases, which include certain cancers, and which can result in disability or death.
(b) Grantee is invited, urged, and cautioned to inspect the Property as to its asbestos content and condition and any hazardous or environmental conditions relating thereto prior to conveyance. The Grantor will assist Grantee in obtaining any authorization(s) which may be required in order to carry out any such inspection(s). Grantee shall be deemed to have relied solely on their own judgment in assessing the overall condition of all or any portion of the Property including, without limitation, any asbestos hazards, or concerns.

(c) No warranties either express or implied are given with regard to the condition of the Property including, without limitation, whether the Property does or does not contain asbestos or is or is not safe for a particular purpose. The failure of any bidder (offeror) to inspect, or to be fully informed as to the condition of all or any portion of the property offered, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid or offer after its opening or tender.

(d) The description of the Property set forth in this conveyance document and any other information provided therein with respect to said Property is based on the best information available to the disposal agency and is believed to be correct, but an error or omission, including but not limited to the omission of any information available to the agency having custody over the Property or any other Federal agency, shall not constitute grounds or reason for nonperformance of the contract of sale, or any claim by the Purchaser against the Government including, without limitation, any claim for allowance, refund, or deduction from the purchase price.

(e) The Grantor assumes no liability for damages for personal injury, illness, disability or death, to the Grantee, or to the Grantor's successors, assigns, employees, invitees, licensees, or any other person subject to Grantee's control or direction, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the Property which is the subject of this conveyance, whether the Grantee, its successors or assigns has or have properly warned or failed properly to warn the individual(s) injured.

(f) The Grantee further agrees that in its use and occupancy of the Property it will comply with all Federal, state, and local laws relating to asbestos.

GRANTEE is put on notice that the PROPERTY has buildings built prior to 1978 and is thereby notified that such property may present exposure to lead from lead-based paint. Moreover, GRANTEE covenants and agrees, for itself and its assigns, that in its use and occupancy of the PROPERTY it will comply with all applicable Federal, State and local laws relating to lead-based paint; and that GRANTOR assumes no liability for damages for personal injury, illness, disability or death to the GRANTEE, its successors or assigns, or any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with lead-based paint on the PROPERTY described in the Quitclaim Deed, whether GRANTEE, its successors or assigns has properly warned or failed to properly warn the individual(s) injured. GRANTEE further agrees to indemnify, defend and hold harmless the GRANTOR from any and all loss, judgment, claims, demands, expenses or damages, of whatever nature which might arise or be made against the United States of America, due to, or relating to the presence of lead-based paint hazards on the PROPERTY; GRANTEE covenants and agrees that it will comply with all Federal, State, local, and any other applicable law(s) regarding the lead-based paint hazards with respect to the PROPERTY.

5. NOTICE OF THE PRESENCE OF PESTICIDES.

GRANTEE is notified that the PROPERTY may contain the presence of pesticides that have been applied in the management of the PROPERTY. The United States knows of no use of any registered pesticide in a manner inconsistent with its labeling, and believes that all applications were made in accordance with the Federal Insecticide, Fungicide and Rodenticide Act ("FIFRA") at 7 U.S.C. Sec. 136, et seq., its implementing regulations, and according to the labeling provided with such substances. Furthermore, that in accordance with the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA") at 42 U.S.C. Sec. 9601, et seq., the use of such substances is not a "release" (as defined in CERCLA at 42 U.S.C. Sec. 9601(22)), but instead the use of a consumer product in consumer use (42 U.S.C. Sec. 9601(9)), and the application of a pesticide product registered under FIFRA for which recovery for response costs is not allowed (42 U.S.C. Sec. 9607(i)).

A. Term. GRANTOR will have unfettered access to the Reserved Property at all times. The term of this reserved estate will commence on the date of the conveyance of the PROPERTY to GRANTEE and will terminate no later than thirty-six months after the date of closing (the “Termination Date”). In the event that GRANTOR vacates all or any portion of the Reserved Property prior to the Termination Date, GRANTEE must accept the Reserved Property, or any portion thereof, as of the date GRANTOR vacates. The reserved estate created hereby will terminate at such earlier date for the Reserved Property, or any portion thereof, so vacated. GRANTOR may vacate the Reserved Property prior to the Termination Date if GRANTOR provides at least 60 days’ prior written notice of its vacation. If GRANTOR vacates the Reserved Property prior to the Termination Date, GRANTEE must accept the Reserved Property at such earlier date as GRANTOR vacates the Reserved Property and the reserved estate created hereby will terminate at such earlier date.
