

IdentityForce IPS BPA Identity Theft Insurance Coverage Summary updated per BPA modification PS-0004

Together with our partners, this CTA provides the most comprehensive policy available for identity theft insurance issued by a brand name triple-A rated carrier. Our standard policy covers up to \$5 million per impacted individual, with no deductible. The scope of the coverage will include all claims submitted on or prior to December 31, 2018. Coverage includes lost wages, travel expenses, elder care and child care, initial legal consultation, and any other expenses specifically tied to the identity restoration process. Not all identity theft insurance is created the same and we provide the utmost in coverage, including Electronic Funds Transfer (EFT) coverage for reimbursement for fraudulent transactions that are typically not covered by other policies, associations, or banking regulations.
