1.08 TENANT IMPROVEMENT RENTAL ADJUSTMENT (SEP 2015)

A. The Tenant Improvement Allowance (TIA) for purposes of this Lease is $20.00 per ABOA SF. The TIA is the amount that the Lessor shall make available for the Government to be used for TI. This amount is amortized in the rent over the Firm Term of this Lease at an annual interest rate of 8 percent. The tenant improvement allowance is available solely for tenant improvements required by the Government for occupancy of the existing user. Upon completion of improvements in the Leased Premises by the Lessor and acceptance thereof by the Government, the cost of improvements shall be memorialized in a subsequent Lease Amendment (LA) along with the amortization payment amount and revised rent. In the event the total cost of tenant improvements is greater or less than the $1,622,360.00 already included in the annual rent as set forth in Paragraph 1.03, then the rent shall be
adjusted accordingly. Tenant improvements financed by the Lessor above the $1,622,360.00 shall be amortized at zero percent (0%) annual interest. Notwithstanding any provisions of GSA Form L201C to the contrary, the Government shall not amortize more than $3,791,455.32 ($46.74/ABOA) in tenant improvements. No tenant improvements in excess of $46.74/ABOA shall be funded by the Lessor. The Government reserves the right to convert any unused portion of the first $1,622,360.00 of this allowance as a rental abatement (which shall be applied to the most current installments of rent then due until exhausted) or to reduce the annual rent as set forth in Paragraph 1.03, any such action thus taken shall be memorialized by LA along with the amortization payment amount and revised rent. Commencement of rent hereunder shall not be contingent upon the completion of any Tenant Improvements or any other work required to be completed pursuant to this Lease.

B. The Government, at its sole discretion, shall make all decisions as to the use of the TIA. The Government may return to the Lessor any unused portion of the TIA in exchange for a decrease in rent according to the agreed-upon amortization rate over the Firm Term.

C. The Government may elect to make lump sum payments for any or all work covered by the TIA. That part of the TIA amortized in the rent shall be reduced accordingly. At any time after occupancy and during the Firm Term of the Lease, the Government, at its sole discretion, may elect to pay lump sum for any part or all of the remaining unpaid amortized balance of the TIA. If the Government elects to make a lump sum payment for the TIA after occupancy, the payment of the TIA by the Government will result in a decrease in the rent according to the amortization rate over the Firm Term of the Lease.

D. If it is anticipated that the Government will spend more than the allowance identified above, the Government may elect to:

1. Reduce the TI requirements;
2. Pay lump sum for the overage upon substantial completion in accordance with the "Acceptance of Space and Certificate of Occupancy" paragraph;
3. Negotiate an increase in the rent.

1.09 TENANT IMPROVEMENT FEE SCHEDULE (JUN 2012)

For pricing TI costs, the following rates shall apply for the initial build-out of the Space.

B. The Government may elect to make lump-sum payments for any work covered by the BSAC. The part of the BSAC amortized in the rent shall be reduced accordingly. At any time after occupancy and during the Firm Term of the Lease, the Government, at its sole discretion, may elect to pay a lump sum for any part or all of the remaining unpaid amortized balance of the BSAC. If the Government elects to make a lump-sum payment for the BSAC after occupancy, the payment of the BSAC by the Government will result in a decrease in the rent according to the amortization rate over the Firm Term of the Lease.

C. If it is anticipated that the Government will spend more than the BSAC identified above, the Government may elect to:

1. Reduce the security countermeasure requirements;
2. Pay a lump sum for the amount overage upon substantial completion in accordance with the "Acceptance of Space and Certificate of Occupancy" paragraph; or
