2 May 22, 2022 - May 21, 2027
3 May 22, 2027 - May 21, 2032

The Tenant Improvement Allowance (TIA) of $4,649,975.64 is amortized at a rate of 0% percent per annum over 15 years. The entire TIA was utilized in the buildout of the space.

Both parties acknowledge not all of the BSAC allowance will be utilized, but as of the date of this LA, several awards were still pending. Once all BSAC awards are finalized, another LA will be issued to memorialize the exact amount of BSAC utilized and to adjust the annual rent as per Section 1.12 of the Lease from the effective date of that LA.

2. Notwithstanding any of the terms stated above, the annual rent shall be fully abated for 18 months in the aggregate amount of $7,477,866.00 and will be withheld from the monthly rent then due and be applied as follows:

<table>
<thead>
<tr>

</tr>
<tr>

NOTE: It is expected this rent abatement schedule will be adjusted when the BSAC is deamortized as per Note 5 of Paragraph 1.

3. Further, a portion of the rent due during the period December 2018-March 2019 will be withheld for the Broker Commission Credit in the amount of [redacted] by the schedule stated in Section 1.04.B of the Lease.

4. Per Section 2.09 of the Lease, Operating Cost Adjustments are due beginning with the second year of the Lease, making the first adjustment due May 22, 2018. However, as per Paragraph 2 of this LA, this date falls within the time period under which the rent is still fully abated. Therefore, the CPI calculation will still be made by comparing the CPI Index from April 2017 and April 2018, but the date of the adjustment to the annual rent shall not be effective until December 1, 2018. All subsequent CPI adjustments shall be effective on the anniversary date of the Lease, May 22nd.

5. Both parties acknowledge there are additional clarifications associated with the Government’s acceptance of the Space, and that the acceptance date and the Lease Commencement Date set forth above have been reconciled and are agreed upon to account for Government Delays. The additional clarifications are memorialized on the GSA Form 1204 attached to this LA as Exhibit A. Additionally, the Government has withdrawn any prior claims regarding moving the door in the file room wall (Rooms 5024, 5035, 5036) in exchange for a Lessor credit in the amount of approximately [redacted] that will be applied against pending change orders (i.e., “Move door entry in Room 4062” and PCO 22 [exec-level requested changes]), as full and complete settlement of that issue.

This document will not constitute a payment obligation until the date of execution by the Government. As a result, even though payments will be made retroactively, no money whatsoever is due under this agreement until thirty (30) days after the date of execution by the Government's Contracting Officer.
