1. Introduction

This appendix lists leasing-related templates, forms, sample documents, and other useful resources cited throughout the Leasing Desk Guide. To constrain the size and complexity of this appendix, the tables on the subsequent pages give active hyperlinks to the most current version of the listed documents, rather than incorporating their full content into this document. The links connect to PDF copies of the documents at GSA's public web site at www.gsa.gov. These documents are also available in their source file format for GSA staff at the National Office of Leasing shared Google site at <https://sites.google.com/a/gsa.gov/office-of-leasing/> under the Lease Forms tab.

2. Lease Acquisition Models

The following document lists are based on the "List of RLP Documents" paragraph in each model's Request for Lease Proposal, except for the on-airport model, which is based on the "Documents Incorporated in the Lease" paragraph in the on-airport lease.

These lists do not include documents that may be necessary for the lease but for which there are no standard forms or templates, such as agency requirements or unit price lists. In addition, the lists do not include documents that are used during the lease acquisition process but do not accompany the RLP or lease, such as space calculators or present value analysis tools, which are listed separately in Section 4 of this appendix.

6. Realty Services Letters

The following Realty Services Letters (RSLs) are currently in effect. Some RSLs have been superseded in part by Lease Acquisition Circulars (LACs). In any instance of overlap or discrepancy between them, LACs are the final authoritative source of leasing policy and guidance. Over time the Office of Real Estate Acquisition will be issuing additional LACs to update and replace these current RSLs, which will then be cancelled.

These RSLs are available on PBS Insite, accessible through the PBS Portal at <http://pbsportal.pbs.gsa.gov>, by selecting Leasing > Leasing Desk Guide/Forms > Realty Services Letters. RSLs are also available on the public Leasing web site at <http://www.gsa.gov/portal/content/163759>.

Cancelled RSLs are not listed here. Their content has been either incorporated as current policy into the relevant portions of the Leasing Desk Guide or else superseded by other subsequently issued guidance.
