  - (d) All provisions and specifications of the Lessor's Best and Final proposal dated March 28, 2010, submitted in response to the SFO and the Government's request for Best and Final Offers dated March 25, 2010;

6. IN REFERENCE TO BUILDOUT AND DELIVERY of the Leased Premises, the Lessor agrees to the following:

(c) The Lessor hereby agrees that, as regards delivery of the Leased Premises to the Government ready for occupancy (hereinafter, "Delivery"):

(i) Time is of the essence.

(ii) Lessor shall effect Delivery on that date one hundred twenty (120) days following the issuance of a Building Permit from the City of Worcester. A Notice To Proceed shall not be delivered until issuance of said Building Permit.

Lessor shall send written notice and a copy of the Building Permit to the Contracting Officer. Any delay caused by the Government on items including, but not limited to, the installation of furniture and the Security System shall not be included in the one hundred twenty (120) day Delivery Schedule.

(iii) Except with regard to such "Punch List" items as may be identified in the Acceptance Notice as defined in Paragraph 7(c)(v) hereof, it is a condition precedent to Delivery that all construction required under this Lease shall be substantially complete and comply with the requirements of FAR 52.246.12 and 21 and GSAR 552.246-71 (hereinafter, the "Regulations"), attached hereto and by this reference made a part hereof, and all drawings, plans and specifications referenced in Paragraph 6 and that the Leased Premises otherwise fully comply with the requirements of this Lease.

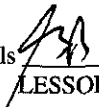

(iv) As required under the Regulations, not less than five (5) calendar days prior to the date on which the Leased Premises will, in the Lessor's reasonable, professional opinion, be ready for occupancy by the Government (the "Proposed Readiness Date"), the Lessor shall deliver to the Government written notice of said Proposed Readiness Date. Unless the Contracting Officer determines that the Leased Premises are not ready for inspection, not more than five (5) calendar days following the Proposed Readiness Date, the Government shall commence inspection of all construction required under this Lease for compliance with the Regulations, the plans and all terms and conditions of this Lease (hereinafter, the "Compliance Inspection").

(v) It is a further condition precedent to Delivery hereunder that a satisfactory Compliance Inspection shall have been completed by the Government, and the Contracting Officer shall have delivered to the Lessor, written notice of the Government's acceptance of the Leased Premises as ready for occupancy (an "Acceptance Notice"), together with a Punch List or lists as contemplated in Paragraph 6(d) below, if applicable.

(vi) Lessor's failure to deliver the entire Leased Premises substantially complete and ready for occupancy, as defined in Paragraph 5, on the Delivery Date, shall be deemed to be an event of default pursuant to the Default in Delivery clause of this Lease, Paragraph 11 of GSA Form 3517, General Clauses of this Lease (the "General" Clauses"), attached hereto and by this reference made a part hereof.

(vii) Government acceptance of the Leased Premises pursuant to the Compliance Inspection is an acknowledgment of the completion of the work inspected, but is not acceptance of conditions which cannot be fairly discovered until after the Government takes full operational occupancy, an acceptance of latent defects, a waiver of on-going compliance with performance-based specifications, standards and requirements, or a certification of compliance with laws, regulations or other approvals or requirements. Lessor shall remain fully responsible for all of these, and shall correct any conditions at its sole cost and expense upon written notice from the Government.

(viii) Government review of Lessor-prepared and submitted construction drawings and subsequent comments on same do not constitute a deviation from any provision, condition or requirement of this Lease unless specifically identified as such in writing by the Government Contracting Officer.

(d) If the Government accepts the Leased Premises as ready for occupancy and the Leased Premises are substantially complete but not fully complete, then the Government will provide to the Lessor after the Compliance Inspection a Punch List of Items remaining to be completed for all interior spaces in the Building (the "Interior Punch List Items") and a Punch List of all exterior items that remain to be completed (the "Exterior Punch List Items"). Both parties understand that completion of some exterior items such as landscaping, final paving, and other exterior improvements may not be possible until weather permits, which may be as late as 60 to 90 days after the date the Government deems the Leased Premises ready for occupancy. Lessor and the Government agree that in the event that the Interior Punch List Items have not been completed within 30 days after the date the Government deems the Leased Premises ready for occupancy, the Government shall have the right to withhold from payments of rent due a sum of money equal to one and one-half times the estimated cost of completion of the outstanding interior Punch List Items. In the event that the Lessor has not completed the Exterior Punch List Items within 90 days from the date the Government deems the Leased Premises ready for occupancy (or such shorter time as the Government determines in its reasonable judgment that weather conditions allow) the Government shall have the right to withhold from payments of rent due a sum equal to one and one-half times the estimated cost to complete the Exterior Punch List Items. Upon completion of the Interior Punch List Items, any sums retained by the Government to cover the Interior Punch List Items shall be promptly paid to the Lessor. Upon completion of the Exterior Punch List Items, any sums retained by the Government for completion of the Exterior Punch List Items shall be promptly paid to the Lessor. If either Exterior or Interior Punch List Items are not fully completed within 40 working days after the date the Government deems the Leased Premises ready for occupancy, the Government may exercise its rights under Paragraph 15 of the General Clauses of the Lease and may avail itself of any other remedy available to the Government at law or in equity.

(e) Lessor shall promptly notify the Government Contracting Officer of any inconsistency among or between any of the documents referenced herein, and the Government Contracting Officer shall promptly determine which shall control.

7. THE GOVERNMENT SHALL HAVE THE RIGHT but not the obligation, at its sole option and expense, to remove at any time during the term of this Lease any special equipment installed by Lessor for which Lessor was directly reimbursed by the Government as referenced above, unless such item is a fixture integral to the operation of the Building; in no event shall the following be considered fixtures integral to the operation of the Building: roof antenna(e) and/or dishes, security cameras and monitors.

8. THE GOVERNMENT AT ITS OWN EXPENSE shall be responsible for providing and installing telecommunications, computer cable, conventional furniture, systems furniture and certain special equipment prior to acceptance and occupancy of the Leased Premises. Outside contractors may be hired by the Government to perform this work. The Lessor shall allow early access to the Leased Premises as needed to inspect, measure, deliver and install such furniture, components, infrastructure and/or equipment at no cost or expense to the Government or its contractors. Lessor shall provide advance construction scheduling which shall allow sufficient time for successful completion of the work or installation of furniture, components infrastructure and/or equipment. Lessor shall work closely with the Government and Government contractors to coordinate scheduling of such work or installation at the appropriate stage(s) of construction. In no event shall any such early entry or access be deemed to be an acceptance of the space or the work performed at that point, nor shall any such early entry or access be deemed to in any way to have accelerated the Commencement Date for any purpose.

9. TAX ADJUSTMENTS: Referencing Paragraphs 4.2 "Tax Adjustment" and 4.2(b)9 "Percentage of Occupancy" of the SFO, the percentage of Government occupancy of the Building for real estate tax purposes is agreed to be 3.30%.

10. The Base Operating Cost shall be subject to annual adjustment as provided in Paragraph 4.3(a)2 of the SFO.

11. **VACANT PREMISES:** Referencing Paragraph 4.4 "Adjustment for Vacant Premises" of the SFO, provided that the Government's failure to occupy all or any portion of the Leased Premises does not result from an event of default or failure to perform on the part of Lessor which remains uncured beyond any cure period as may be provided in this Lease, if the Government fails to occupy all or any portion of the Leased Premises or vacates the Leased Premise in whole or in part prior to the expiration of this Lease, rent for such unoccupied portion of the Leased Premises shall be reduced by \$1.57 per ANSI/BOMA square footage vacant space (plus CPI escalation, if any) for the entire vacancy period.

Any rental paid by the Government after acceptance of the Leased Premises as described herein but prior to actual occupancy shall be less the cost for services and utilities.

12. **CHANGE ORDERS:** Unless explicitly authorized in advance and in writing by the Contracting Officer, any additional supplies or services, or any change to the specifications, terms or conditions of this Lease (hereinafter a "Change Order"), shall be deemed to be an unauthorized Change in Lease Terms or unauthorized Change Order. The Government shall not pay all or any portion of the cost, charge or expense associated with any such unauthorized Change In Lease Terms or unauthorized Change Order. The Government's occupant tenant is not authorized to administer this Lease and the General Services Administration assumes no responsibility for any costs incurred by the Lessor except as provided herein.
