C. Invoicing for advance payment:

The Lessor will be required to submit monthly invoices showing a schedule of values for work as completed (or some segregable portion or percentage thereof). Invoices can be submitted for the material cost of equipment either delivered to the site or stored off-site, provided such materials are stored in a bonded warehouse. Advance payments by the Government for aforementioned allocation of the Tenant Improvements shall not relieve the Lessor’s obligation to deliver the space in accordance with section 1.12 of the Solicitation for Offers, as attached to the Lease. Upon completion of the work (or some segregable portion or percentage thereof), the Lessor shall notify the contracting officer to arrange for an inspection at least 10 days prior to submitting an invoice. After inspection and acceptance of the work by the Government, a properly executed invoice shall be submitted at: http://www.finance.gsa.gov – or – a properly executed original invoice shall be forwarded to:

- Reference the Pegasys Document Number (PDN) specified on this form,
- Include a unique, vendor-supplied, invoice number,
