B. All lump sum payments will be made to the account associated with the following DUNS +4:

C. Invoicing for advance payment:

The Lessor will be required to submit monthly invoices showing a schedule of values for work as completed (or some segregable portion or percentage thereof). The Lessor will only receive payment for work that accurately represents the value submitted and has been inspected and accepted by the Government. Invoices can be submitted for the material cost of equipment either delivered to the site or stored off-site, provided such materials are stored in a bonded warehouse. Advance payments by the Government for aforementioned allocation of the Tenant Improvements shall not relieve the Lessor's obligation to deliver the space in accordance with section 1.12 of the Solicitation for Offers, as attached to the Lease. Upon completion of the work (or some segregable portion or percentage thereof), the Lessor shall notify the contracting officer to arrange for an inspection at least 10 days prior to submitting an invoice. After inspection and acceptance of the work by the Government, a properly executed invoice shall be submitted at: http://www.finance.gsa.gov – or – a properly executed original invoice shall be forwarded to:

General Services Administration Greater Southwest Region (7BCP) P.O. Box 17181 Fort Worth, TX 76102-0181

If invoicing either electronically or by mail, a copy of the invoice must also be mailed to the Contracting Officer at:

GSA, Public Buildings Service Real Estate Acquisition Division 20 North Eighth Street, 8th Floor Philadelphia, PA 19107-3191 Attn: Jessica Herring

For an invoice to be considered proper, it must include the following:

- A detailed schedule of values identifying the work completed.
- Be received after the execution of this SLA,
- * Reference the Pegasys Document Number (PDN) specified on this form,
- Include a unique, vendor-supplied, invoice number,
- Indicate the exact payment amount requested, and
- Specify the payee's name and address. The payee's name and address must EXACTLY match the Legal Business Name or DBA associated with it in the System for Award Management (SAM) for the DUNS+4 associated with the Special Account referenced above.

Payment will be due within thirty (30) days after GSA's designated billing office receives a properly executed invoice or acceptance of the work by the Government, whichever is later.
