The Government of the United States of America is seeking to lease approximately 1,770 rentable square feet of office and related space located at the Sawyer International Airport located in Gwinn, MI for occupancy not later than November 1, 2010 for a term of ten (10) years five (5) years firm. Rentable space must yield a minimum of 1,770 square feet of ANSI/BOMA Office Area (previously Usable) for use by Tenant for personnel, furnishing, and equipment.

B. STANDARD CONDITIONS AND REQUIREMENTS

The following standard conditions and requirements shall apply to any premises offered for lease to the UNITED STATES OF AMERICA (hereinafter called the GOVERNMENT):

Space offered must be in a quality building of sound and substantial construction, either a new, modern building or one that has undergone restoration or rehabilitation for the intended use.

The Lessor shall provide a valid Certificate of Occupancy for the intended use of the Government and shall meet, maintain, and operate the building in conformance with all applicable current (as of the date of this solicitation) codes and ordinances. If space is offered in a building to be constructed for lease to the Government, the building must be in compliance with the most recent edition of the building code, fire code, and ordinances adopted by the jurisdiction in which the building is located.

Offered space shall meet or be upgraded to meet the applicable egress requirements in National Fire Protection Association (NFPA) 101, Life Safety Code or an alternative approach or method for achieving a level of safety deemed equivalent and acceptable by the Government. Offered space located below-grade, including parking garage areas, and all areas referred to as “hazardous areas” (defined in NFPA 101) within the entire building (including non-Government areas), shall be protected by an automatic sprinkler system or an equivalent level of safety. Additional automatic fire sprinkler requirements will apply when offered space is located on or above the 6th floor. Unrestricted access to a minimum of two remote exits shall be provided on each floor of Government occupancy. Scissor stairs shall be counted as only one approved exit. Open-air exterior fire escapes will not be counted as an approved exit. Additional fire alarm system requirements will apply when offered space is located 2 or more stories in height above the lowest level of exit discharge.

The leased space shall be free of all asbestos containing materials, except undamaged asbestos flooring in the space or undamaged boiler or pipe insulation outside the space, in which case an asbestos management program conforming to Environmental Protection Agency guidance shall be implemented. The space shall be free of other hazardous materials according to applicable Federal, State, and local environmental regulations.

Services, utilities, and maintenance will be provided daily, extending from 7:30 a.m. to 7:00 p.m. except Saturday, Sunday, and Federal holidays. The Government shall have access to the leased space at all times, including the use of electrical services, toilets, lights, elevators, and Government office machines without additional payment.

The Lessor shall complete any necessary alterations within 90 days after receipt of approved layout drawings.
