SUPPLEMENTAL LEASE AGREEMENT

ADDRESS OF PREMISES
150 Space Center Loop, Lee’s Summit, Missouri 64064

THIS AGREEMENT, made and entered into this date by and between

Space Center Kansas City, Inc.
a Minnesota Corporation
1500 West GeoSpace Drive
Independence, Missouri 64056

hereinafter called the Lessor, and the UNITED STATES OF AMERICA, hereinafter called the Government:

WHEREAS, the parties hereto desire to amend the above Lease.

NOW THEREFORE, these parties for the considerations heretofore mentioned covenant and agree that the said Lease is amended, as follows:

The word “effective”, immediately above, was deleted prior to signature by either party.

This Supplemental Lease Agreement Number 8 provides for the following:

1. The Government chooses to exercise the remaining 29,500 rentable square feet of option space at the specified terms and rates in the subject lease. The option space is designated as Stack Room III.

2. In addition to the 29,500 square feet of option space, the Government is expanding Stack Room III by 2,500 rentable square feet. The space is subject to mutual measurement by the Lessor and Government; however, the maximum square footage the Government will pay for Stack Room III is 32,000 square feet.

3. The Government shall pay the Lessor $4.00 per rentable square foot for the said expansion space (2,500 sq.ft.) upon acceptance by the Government, which is scheduled for September 30, 2002.

4. Both the option term and expansion space term will be coterminous with the original Lease.

All other terms and conditions of the lease shall remain in force and effect.

IN WITNESS WHEREOF, the parties subscribed their names as of the above date.

- Carpet shall be guaranteed to be dimensionally stable and not cup, dish, dome, stretch, or shrink.
- Install carpet in accordance with the manufacturer’s printed instruction.
- Carpet tiles meeting hard surface flooring shall be finished with moldings. Carpet tiles meeting walls shall be furnished with baseboards.
- Provide 10% extra tiles in addition to the quantity required for installation, for replacement purposes.
- Deliver 3 copies of manufacturer’s maintenance instructions to the Government.
- Lessor may be required to provide certification of the physical properties of the carpet.

9. In addition to the existing cleaning requirements, high dusting shall be performed once per year. High dusting means all wall surfaces and pillars above 70”. Cleaning shall be performed during the hours of 3:00 p.m. – 6:00 p.m. The person cleaning the space shall be a U.S. citizen and will need to be escorted.

10. An allowance of $200,000 is being provided (in the rental listed above) to the Government for electrical distribution for the space. Actual subcontractor invoices shall be provided to the Government to determine if the Government has gone over or under their allowance. If the Government has gone over the allowance, the Government will have to pay the additional costs. If the Government costs are under the allowance, the Government will receive a credit.

11. In addition, credits shall be given to the Government for the cost difference for providing and installing 2-hour block wall versus 4-hour block wall.
