4) The existing PTAC HVAC units which are located on the perimeter of the building shall be monitored throughout the Lease term. In the event that any of the units exceed the noise criteria established in the Lease, the Lessor shall repair or replace the units at the Government's expense which the Lessor and Government shall negotiate to ensure that the pricing for the replacement is fair and reasonable. The Lessor shall comply with Lease requirements for tenant improvement pricing in procuring repairs or replacement of PTAC units. This paragraph pertains only to the replacement of a PTAC unit due to noise concerns. The Lessor shall retain the responsibility for maintenance of all equipment and repair and replacement of malfunctioning equipment.

5) Tenant improvement costs of $750,515.40 were established in LA#01 and included the initial tenant improvements and change orders #01 and #02. Subsequently, the Government requested changes in the scope of tenant improvements. The Government hereby orders the following changes to the tenant improvements:
