II. General Terms and Conditions.

A. Definitions, Standards, and Formulas. Unless otherwise specifically noted, all terms and conditions set forth in this Lease will be interpreted by reference to the following definitions, standards, and formulas:

1. Appurtenant Areas. Appurtenant Areas are defined as those areas and facilities on the Property that are not leased to the Government, but for which access by the Government is reasonably necessary or anticipated with respect to the Government's enjoyment of the rights granted under the Lease.

2. Broker. If GSA awarded this Lease using a contract real estate broker, Broker will refer to GSA's broker.

3. Commission Credit. If GSA awarded this Lease using a Broker, and the Broker agreed to forego a percentage of its commission to which it is entitled in connection with the award of this Lease, the amount of this credit is referred to as the Commission Credit.

4. Days. All references to days in this Lease will be understood to mean calendar days.

5. FAR. All references to the FAR will be understood to mean the Federal Acquisition Regulation, codified at 48 CFR Chapter 1.

6. GSAR. All references to the GSAR will be understood to mean the GSA supplement to the FAR, codified at 48 CFR Chapter 5.

7. Commencement Date. The Lease's Commencement Date means the date on which the lease term commences.

8. Effective Date. The Lease's Effective Date means the date that the Lessor's obligations under the Lease commence.

9. The Premises. The Premises are defined as the total Office Area or other type of Space, together with all associated Common Areas, described in Section II, Line 9, of Exhibit A, and delineated by plan on Exhibit B. If Exhibit A and B are inconsistent with respect to the description of the Space, Exhibit A will be controlling. Parking and other areas to which the Government has rights under this Lease are not included in the Premises.

10. The Property. The Property is defined as the land and buildings in which the Premises are located, including all appurtenant areas (e.g., parking areas to which the Government is granted rights).

11. The Space. The Space will refer to that part of the Premises to which the Government has exclusive use, such as Office Area, or other type of Space. Parking areas to which the Government has rights under this Lease are not included in the Space.

12. Standard for Measuring Office Area and Other Space. For the purposes of this Lease, Space will be measured in accordance with the applicable standard provided by American National Standards Institute/Building Owners and Managers Association (ANSI/BOMA). For Office Area, ANSI/BOMA Z65.1-1996 will be used. References to ABOA mean ANSI/BOMA Office Area.

13. Standard for Determining Common Area Factor. The Common Area Factor ("CAF") is the conversion factor expressed as the percentage of space in the Premises that constitutes Common Area. For the purposes of this Lease, the CAF will be determined in accordance with the applicable ANSI/BOMA standard for the type of space to which the CAF will apply.
