NOW THEREFORE, these parties for the considerations hereinafter mentioned covenant and agree that the said Lease is amended, effective upon execution by the Government, as follows: To provide Notice to Proceed with Construction of improvements as outlined in Exhibit "B", to establish the tenant improvement construction cost and to order tenant improvements which exceed the tenant improvement allowance. The costs for the tenant improvements (TIs) and lump sum items are as described below in Paragraphs 24, 25, and 26 which are hereby added.

"24. In accordance with the above referenced contract, the Government as of January 19, 2011 hereby issues Notice to Proceed with the construction of Tenant Improvements in the amount of $734,780 in the space under lease.

"25. Pursuant to the SF-2 for the above referenced contract, the breakdown of Tenant Improvements and Allowances (by way of allowance & lump sum payment) established at this time, and obligated at this time are as follows:

The total tenant improvement price is established as $922,631 per Exhibit B. The tenant improvements in the amount of $734,780 are hereby ordered per this supplemental lease agreement.
