1. The Surrender Date, as defined in Paragraph 12 of Supplemental Agreement No. 13 to the Lease, is hereby fixed at December 13, 1995.

2. Effective on December 13, 1995, the figure, "7.1959%", set forth in the last line of paragraph (iii) of Section 4 of Supplemental Agreement No. 9 to the Lease is hereby deleted and the figure, "7.1738%", is hereby inserted in lieu thereof. Notwithstanding the provisions of Paragraph 13 of Supplemental Agreement No. 13 to the Lease, the parties acknowledge that the 7.1959% figure formerly set forth in said paragraph (iii) is based on a total net usable square footage of 597,890 formerly occupied by the Government in the premises known as Six World Trade Center, that the 7.1738% figure is based on a total net usable square footage of 578,110 occupied by the Government in said Six World Trade Center immediately following the Surrender Date, and that the space surrendered pursuant to the provisions of Supplemental Agreement No. 13 consists of 1,780 net usable square feet.

3. (a) The obligations of the Government to maintain the area outside of the premises under the Lease shown in diagonal hatching on Exhibit D-2 attached to the Lease are hereby released and relieved solely with respect to the portions of such area shown in diagonal crosshatching on Exhibit D-3 attached to this Agreement and hereby made a part hereof and solely for the following periods:

   (1) with respect to the portion of such area identified as Area A (hereinafter called “Area A”) on said Exhibit D-3, for the period commencing on January 1, 1995, and continuing through the removal of the childrens’ playground to be constructed in such portion of the area, and

   (2) with respect to the portion of such area identified as Area B (hereinafter called “Area B”) on said Exhibit D-3, for the period commencing on June 4, 1999, and continuing through the removal of the food vending stand to be constructed in such portion of the area.

   (b) At the request of either party, following the removal of the childrens’ playground or the food vending stand referred to in subparagraph (a) of this Paragraph, the Port Authority and the Lessee shall execute and deliver an agreement supplementing this Agreement setting forth the actual date of the removal of such childrens’ playground or food vending stand, as the case may be, but the failure by either party to execute or deliver such agreement shall not vary, modify or amend the express terms of this Agreement.

4. The Lessor shall restore, or shall arrange for the restoration of, Area A and Area B following the removal of such childrens’ playground and the food vending stand, respectively located thereon, to the condition existing prior the construction of such improvements, except for reasonable wear which does not adversely affect the watertight condition or structural integrity of the building on top of which such Areas are located or adversely affect the proper utilization of such Areas.

6. Neither the Commissioners of the Lessor nor any of them, nor any agent, officer or employee thereof or of the Government shall be charged personally by either party hereto with any liability or held liable to it under any term or provision of this Agreement or because of its execution or attempted execution or because of any breach thereof.
