2. The Government has determined that the demising costs incurred by the Lessor for $43,900.00, as described below, are fair and reasonable. The demising costs were incurred by the Lessor to meet the original lease requirements. Pursuant to SLA 1, the Government reduced the lease square footage removing the 2nd floor space from the lease. The Lessor incurred additional costs to revert the 2nd floor back to its original open space to market the space for rent. The approved costs are hereby attached and made a part of this Lease.

The Government hereby approves a one-time lump sum payment in the amount of $43,900.00 to the Lessor to compensate for expenses incurred by the Lessor in good faith to meet the Lease requirements.

3. The Government shall pay Shell rent from June 27, 2011 through April 30, 2012 as compensation to the Lessor for delays which precluded the Lease from commencing on June 27, 2011 based on Lease required timeframes noted in SFO Section 3.11.
