THERE WILL BE NO SHELL OR TENANT IMPROVEMENT RENT PAYMENTS DUE FOR THE PERIOD OF JANUARY 1, 2014 THROUGH APRIL 30, 2014.

B. Rent is subject to adjustment based upon the final Tenant Improvement (TI) cost to be amortized in the rental rate, as agreed upon by the parties subsequent to the Lease Award Date.

C. If the Government occupies the Premises for less than a full calendar month, then rent shall be prorated based on the actual number of days of occupancy for that month.

D. Rent shall be paid to the Lessor by electronic funds transfer in accordance with the provisions of the General Clauses. Rent shall be payable to the Payee designated in the Lessor’s Central Contractor Registration.

E. The Lessor shall provide to the Government, in exchange for the payment of rental and other specified consideration, the following:

1. The leasehold interest in the portion of the Property described in “Paragraph 1.01, THE PREMISES” created herein;
2. Subject to Section 1.06, hereof and Section 31 of the General Clauses all costs, expenses and fees to perform the work required by this Lease, including all costs for labor, materials, and equipment, professional fees, contractor fees, attorney fees, permit fees, inspection fees, and similar such fees, and all related expenses;

3. Performance or satisfaction of all other obligations set forth in this Lease; and all services, utilities (with the exclusion of electricity), maintenance required for the proper operation of the Property, and the Leased Premises, in accordance with the terms of the Lease, including, but not limited to, all inspections, modifications, repairs, replacements and improvements required to be made thereto to meet the requirements of this Lease. The Government shall be responsible for paying the cost of electricity directly to the Lessor since the space will be metered via submeter. The Lessor shall provide and install as part of shell rent, separate meters for electricity to the extent such meters do not exist as of the date hereof. The Lessor shall furnish in writing to the Lease Contracting Officer ("LCO"), prior to the lease term commencement date, a record of the meter numbers and verification that the meters measure Government usage only. Proration is not permissible. In addition, an automatic control system shall be provided to assure compliance with heating and air conditioning requirements.

Notwithstanding anything contained in Exhibit G to the contrary, the Lessor shall only be obligated to perform the work required to comply with items 2 and 3 in the section titled “Findings and Recommendations” thereof.

The parties hereto agree that (i) if the Government requests that the Lessor perform any element of Shell Work on an overtime basis, the incremental cost to perform any such work on an overtime basis shall be deemed to be a TI cost for all purposes hereunder and (ii) one-third (1/3) of the cost to perform the work set forth in item 8 of Exhibit C shall be deemed to be a TI cost for all purposes hereunder and shall not exceed $15,000.00.

1.05 TENANT IMPROVEMENT ALLOWANCE (AUG 2011)

The Tenant Improvement Allowance (TIA) for purposes of this Lease is $45.33 per ABOA SF. The TIA is the amount that the Lessor shall make available for the Government to be used for the TIs. This amount is amortized in the rent over the firm term of this Lease at an annual interest rate of 4.625 percent.

1.06 TENANT IMPROVEMENT RENTAL ADJUSTMENT (AUG 2011)

A. The Government, at its sole discretion, shall make all decisions as to the use of the TIA. The Government may use all or part of the TIA. The Government shall be entitled to a rent credit in the amount of any unused portion of the TIA.

B. If it is anticipated that the Government will spend more than the allowance identified above, the Government shall have the right to either:

1. Reduce the TI requirements;
2. Pay lump sum for the overage upon substantial completion in accordance with the lease paragraph entitled “Acceptance of Space and Certificate of Occupancy;” or
3. Negotiate an increase in the rent.

1.07 TENANT IMPROVEMENT FEE SCHEDULE (AUG 2011)

For pricing TI Costs as defined herein, the following rates shall apply for the initial build-out of the Space.

A construction management fee of five (5) percent of the first Five Hundred Thousand Dollars ($500,000) expended in connection with the Tenant Improvement Work; 4% of the next Two Hundred and Fifty Thousand Dollars ($250,000); 3% of the next Two Hundred and Fifty Thousand Dollars ($250,000); and 2% of all additional amounts expended in connection with the Tenant Improvement Work.
1.08 PERCENTAGE OF OCCUPANCY FOR TAX ADJUSTMENT, ESTABLISHMENT OF TAX BASE (AUG 2011)

As of the lease term commencement date, the Government's percentage of occupancy, as defined in the Real Estate Tax Adjustment clause of this lease is 64.18 percent. The percentage of occupancy is derived by dividing the total Government space of 72,268 RSF by the total building space of 112,466 RSF.

The real estate tax base, as defined in the Real Estate Tax Adjustment clause of the Lease will be Calendar Year 2014.

1.09 OPERATING COST BASE (AUG 2011)

The parties agree that for the purpose of applying the clause titled "Operating Costs Adjustment" that the Lessor's base rate for operating costs shall be $5.48 per rentable sq. ft ($395,787.96/annum).

1.10 RATE FOR ADJUSTMENT FOR VACANT LEASED PREMISES (AUG 2011)

In accordance with the section entitled "Adjustment for Vacant Premises," if the Government fails to occupy or vacates the entire leased Premises or any full floor thereof (or all space on a floor leased to the Government if the Government leases less than the entire applicable floor) prior to expiration of the term of the Lease, the operating costs paid by the Government as part of the rent shall be reduced by $2.66 per ABOA SF of the Premises or such portion thereof, vacated by the Government.

1.11 HOURLY OVERTIME HVAC RATES (AUG 2011)

The following rates shall apply in the application of the clause titled "Overtime HVAC Usage:"

- $75.00 per hour per floor

1.12 24-HOUR HVAC REQUIREMENT (APR 2011)

The hourly overtime HVAC rate specified above shall not apply to any portion of the Premises that is heated or cooled exclusively using supplemental HVAC systems (the "Supplemental HVAC Areas") since such systems are controlled by the Government and are not part of the Building HVAC systems. If 24-hour HVAC is required by the Government for any Supplemental HVAC Areas, such services shall be provided by the Lessor at an annual rate of $0.00 per ABOA SF of the area receiving the 24-hour HVAC. Notwithstanding the foregoing, Lessor shall provide this service at no additional cost to the Government if the Lessor provides this service to other tenants in the building at no additional cost.

1.13 ADDITIONAL BUILDING IMPROVEMENTS (AUG 2011)

In addition to construction of the Tenant Improvement Work as required in this Lease, the Lessor shall be required to complete the following additional building improvements (e.g., Fire Protection and Life Safety, Seismic, and Energy Efficiency) on or prior to the date set forth in the schedule attached as Exhibit H and is included in the shell rent:

A. Lessor shall upgrade the elevator cabs and provide the Government with a copy of the finishes to ensure it meets the requirements of the Lease.
B. Lessor shall completely renovate and make all restrooms within the Government's space ABAAS compliant as described in Paragraph 3.17 of the Lease, it being agreed that the restrooms reflected on the plans attached hereto as Exhibit I shall be deemed to be ABAAS compliant as described in Paragraph 3.17 of the Lease for purposes hereof. Lessor shall provide the Government with samples of the building standard finishes for review and approval. Lessor shall also provide the Government with drawings and specification sheets to ensure compliance with the Lease requirements.
C. Implementation of the required HVAC upgrades to ensure the space can meet the Lease requirements. Details are provided on Exhibit "E" and drawings shall be provided by the Lessor for review and approval by Government prior to proceeding with the work.
D. Perform the required upgrades in order to meet the requirements for the Energy Independence and Security Act. Details are provided on Exhibit "F."
E. Comply with items two and three in the attached Fire and Life Safety Report, Exhibit "G."
F. Perform all shell build out requirements for the work described and shown on the Design Intent Drawings labeled Exhibit D.
G. In the event the Lessor cannot comply with the finishes required for the elevator cabs or restrooms then the Lessor shall provide an explanation on why a substitution is being requested and submit the request to the LCO for approval which shall not be unreasonably withheld.

The parties hereto hereby acknowledge that the Government is currently occupying the Premises and will need to temporarily vacate portions thereof in order for Lessor to timely perform the Tenant Improvement Work and the work required hereunder to satisfy the Building shell requirements (the "Shell Work" and together with the Tenant Improvement Work, the "Lessor's Work"). The parties hereto agree to cooperate in scheduling such relocations in such a manner as to minimize interference with the Government's business as well as the Lessor's Work and the schedule for same attached as Exhibit H.

1.14 BUILDING ACCESS CARDS

The Government currently is in possession of 19 key fobs to access the freight elevator. The Lessor shall provide the Government with an additional 25 key fobs at no cost. The Government shall provide the Lessor with updates on changes to personnel using these key fobs but will not be required to return them upon employee leaving the Government. If the Government requires additional key fobs over the allotment it currently has then Government will reimburse the Lessor the actual cost for acquiring them from the Condominium.
