4. The Government may assign its interest in the Lease without the consent of Lessor, to any department or agency of the government of the United States of America as long as the obligations of such department or agency are fully backed by the full faith and credit of the United States of America.

5. The Government may not assign all or any portion of its interests in the Lease, to any person, firm or entity other than a department or agency of the United States of America without the prior written consent of Lessor, which Lessor may withhold in Lessor’s sole and absolute discretion.

6. Prior to the commencement of construction of the Premises by Lessor, the Government shall use its best efforts to cooperate with Lessor to the end that ownership of the Premises shall be transferred to a new single-asset entity to be created by Lessor, following which, Lessor shall assign all of its rights, duties and obligations under the Lease to said single-asset entity. In connection with such assignment, Lessor shall be released of its liabilities, duties and obligations under the Lease, and the Government agrees to consent to such assignment on that basis.

7. In the event that Lessor claims one or more “excusable delays” in connection with Lessor’s obligation to deliver the Premises, and in the further event that the Government disputes that the facts and circumstances alleged by Lessor as constituting such “excusable delay”, the Government shall give written notice of such dispute to Lessor, whereupon Lessor shall be obligated to deliver the Premises by not later than ninety (90) days following the delivery date provided for in the Lease, and provided that the Lessor does so, the Government shall have no right to terminate the Lease on account of such delayed delivery. In no event shall Lessor be entitled to more than one (1) ninety (90) day extension pursuant to this provision.

8. Except as amended, supplemented or modified herein, the terms and provisions of the Lease are hereby ratified, confirmed and approved.
