Lease Amendment Form 12/12
1.) The Lessor shall provide all the materials, labor, and services required to provide the completion of the Tenant Improvements depicted and according to the Construction Drawings created by Terry A. Cone, which are attached as Exhibit "A" to this Lease Amendment # 1.

The Lessor remains responsible for the accuracy of the Construction Drawings as stated in the Solicitation for Offers under "Construction Schedule and Acceptance of Tenant Improvements, Review of Working/Construction Drawings." This Lease Amendment does not release the Lessor for liability for accuracy of the Construction Drawings when compared to the GSA approved Design Intent Drawings.

2.) The construction of the Tenant Improvements shall commence on May 31, 2013 and the anticipated date of completion of the Tenant Improvements and acceptance by the Government is on or before July 12, 2013.

3.) The Government shall pay the Lessor for the total cost of the Tenant Improvements as follows:

The Government and the Lessor have agreed that the total cost of the Tenant Improvements shall change from $170,947.08 to $154,364.36. The Tenant Improvement cost includes all the Lessor's fees for general and administrative costs, profit and any and all other fees associated with the completion of the Tenant Improvements by the anticipated date of completion.

Any changes of the Construction Drawings which result in a financial change to the Lease agreement, of any type, must be approved, in writing, by the GSA Contracting Officer.

The Tenant Improvement cost of $154,364.36, shall be amortized over the first ten (10) year firm term of the lease agreement at an interest rate of six and one-half percent (6.5%) paid monthly in arrears.

Upon the completion of the Tenant Improvements and the acceptance thereof by the Government, the rent commencement date, the rent schedule, (including the Shell Rent, Operating Costs, amortized Tenant Improvement cost), and any changes to the broker commission and commission credit shall be established by a subsequent Lease Amendment.
