Paragraph 2: TO HAVE AND TO HOLD the said premises with their appurtenances for the term beginning on September 18, 1991 through September 17, 2016 subject to the termination rights hereinafter set forth.

Paragraph 4: TERMINATION RIGHTS

A. The Government may terminate one time in whole or in part up to 204,566 RSF, 183,470 ABOA square feet of Block B leased space (Block B leased space is set forth on page 1 of Exhibit A attached) after September 17, 2013 by giving the Lessor at least 365 days advance notice in writing. Said notice shall be computed commencing with the day after the date of sending to the Lessor by Federal Express next day delivery, and with a copy by email to the Lessor. No rental on the terminated space shall accrue after the effective date of termination subject to the Government having vacated the entire space for which proper notice was given. The Government does not have the right to vacate less than the entirety of the terminated space.

B. Notwithstanding the above “in whole or in part” language, for Block B leased space on floors 1 through 7 and the P2 parking level (not including the parking spaces) the Government may only terminate the full Block B square footage amount on a floor as set forth under Block B on page 1 of Exhibit A, unless the Lessor agrees otherwise in writing. If the Government terminates the full 204,566 RSF it shall also give back to the Lessor 51 parking spaces located on the P2 parking level. All such parking spaces shall be contiguous unless the Lessor agrees otherwise in writing.

If the Government terminates less than the full Block B 204,566 RSF, it shall give back to the Lessor parking spaces on the P2 parking level proportionate to the terminated RSF, rounded to the nearest number. (For example, if the Government terminates 180,000 RSF, then it shall give back to the Lessor 45 spaces on the P2 parking level (180,000 RSF divided by 204,566 RSF = 87.99% X 51 = 45 spaces). All such parking space shall be contiguous unless the Lessor agrees otherwise in writing.

C. For the P1 parking, the previous payment formulas used under the Lease (as described in SLA 76 and last adjusted in SLA #126), including the $210,816.00 guarantee by the Government, shall remain in place through September 17, 2013. Commencing September 18, 2013, the Government shall relinquish all P-1 parking spaces and related rights to the P-1 parking garage to the Lessor, and the previous payment formulas used under the Lease, including the $210,816.00 guarantee by the Government, shall no longer apply. Further, Paragraph 19 and all other language in the Lease pertaining to the P1 parking shall not apply. No reduction shall be made to the rental paid the Lessor because of the relinquishment of the P1 parking and related rights.

D. During the Lease term, the Lessor may relocate the Government Block A leased space on any of the 1st, 2nd, 4th, and P-1 and P-2 floors, if it so desires, with at least 2 months advance notice in writing to the Government and the Government’s consent which shall not be unreasonably withheld and at the Lessor’s cost.

Paragraph 9:

A. Commencing September 18, 2011 with this SLA, the Government shall pay the Lessor annual rent of $10,647,400.00 ($887,283.33 per month). Rent shall be paid monthly, in arrears.

No other reductions or credits of any kind shall be due to the Government with respect to the termination, except that Paragraph 11.A and 11.B of the lease shall be adjusted after the termination for the change in rentable square footage, as set forth below.

Commencing September 18, 2011 with this SLA, the tax base for this Lease equals $777,346.99 (88.785417% of $875,482.53 (based upon the 2010 taxes)) and shall remain constant throughout the term of the Lease; except that if all or a portion of the Block B leased space is terminated in accordance with Paragraph 4, the tax base amount shall be adjusted for the change in RSF leased. The new tax base year is established as 2010. The next tax adjustment due is for the 2011 taxes. All prior references to the percentage of occupancy in prior SLAs are hereby deleted in their entirety commencing for the period starting September 18, 2011 with this SLA.

All other terms and conditions of the lease shall remain in full force and effect.
