Lease Amendment Form 09/12
1.) The Lessor shall provide all the materials, labor, and services required to provide for the completion of the TIs and TSS.

The Lessor remains responsible for the accuracy of the Construction Drawings when compared to the Government approved Design Intent Drawings.

2.) Upon this Lease Amendment (LA) being fully executed and delivered, the Lessor shall consider this a Notice to Proceed on the construction of the TIs and TSS. The anticipated date of completion of all the TIs and TSS is February, 3 2015.

3.) The Government and the Lessor have agreed that the total cost of the TIs and TSS is $722,382.03. The TI and TSS cost includes all the Lessor’s fees for general and administrative costs, profit and any and all other fees associated with the completion of the TI and TSS by the anticipated date of completion.

Any changes of the Construction Drawings, which result in a financial change to the lease agreement, of any type, must be approved, in writing, by the GSA Contracting Officer.

4.) The Tenant Improvement Allowance for the Lease Agreement is $129,492.00 and the Building Specific Amortized Capital (BSAC) Allowance is $5,400.00. The Allowances shall be amortized over the first five (5) years of the term at an interest rate of 7.0%. The total amount of the TI and BSAC Allowance to be amortized is $134,892.00. The Government retains the right to buy-down all or a portion of the BSAC Allowance.

5.) The Government shall pay for a portion of the total TI Cost by amortizing $129,492.00 over the first five (5) years of the term, monthly, in arrears, at an interest rate of 7.0%. Additionally, the Government shall pay for a portion of the TSS Cost by amortizing $5,400.00 over the first five (5) years of the term, monthly, in arrears, at an interest rate of 7.0%. The total amount the Lessor shall amortize is $134,892.00. The remaining balance of $97,490.03 ($732,382.03 (Total TI and TSS) - $129,492.00 (TI amortized) - $5,400.00 (TSS amount amortized) = $97,490.03) shall be paid by a lump-sum payment.

Upon the completion of the TI and TSS, and the acceptance thereof by the Government, the rent commencement date and the adjusted rent schedule (if required due to the amount amortized) shall be established by a separate LA. The subsequent LA shall include the term of the scheduled total rent, the annual Shell Rent amount, the annual Operating Cost amount, and the annual amortized TI and BSAC cost (if any).

Once the exact amount of the lump-sum payment has been determined by both parties and the LA is fully executed by the Government and the Lessor, then the Lessor may submit for the lump-sum-payment. The Lessor agrees that the invoice shall be printed on the same letterhead as the named on this lease, shall include the Lessor number, building address, and a price and quantity of the items delivered. The invoice shall reference the number PS0033088 and shall be sent electronically to the GSA Finance Website at http://www.finance.gsa.gov/defaultext.asp. Instructions for invoice submission are included on the website. Additional assistance is available from the Finance Customer Service line at (800) 676-3690.
