Lease Amendment Form 12/12
1) The Lessor shall provide all the materials, labor, and services required to provide the completion of the TIs and the BSAC as depicted on the Construction Drawings attached as Exhibit "A" created by Entos Design, dated September 27, 2013, consisting of 19 pages, at 1605 LBJ Freeway, Farmers Branch, Texas 75234-6802. This Lease Amendment (LA) does not release the Lessor for liability for accuracy of the Construction Drawings when compared to the GSA approved Design Intent Drawings dated August 26, 2013, consisting of five (5) pages and which were incorporated into the Lease by Lease Amendment No. 1.

2) Upon full execution and delivery of this LA the Lessor can consider this as a Notice to Proceed on the TI and BSAC construction. The anticipated date of completion and acceptance by the Government is on or before May 5, 2014.

3) The Government shall pay the Lessor for the total cost of the TIs and BSAC as follows:

   The Government and the Lessor have agreed in the Lease Agreement that the Tenant Improvement Allowance (TIA) is $785,456.35 and the BSAC Allowance is $82,000.00.

   Furthermore, the Government and the Lessor have agreed that the total cost of the TIs as noted above in paragraph 1 is $715,419.14 and the total BSAC cost is $119,629.00 for a combined total of $835,048.14. The total TI costs and the total BSAC cost includes all the Lessor's fees for general and administrative costs, profit and any and all other fees associated with the completion of the TI and the BSAC by the anticipated date of completion noted above in paragraph 2.

   The total TI costs, in the amount of $715,419.14.00, shall be amortized over the first five (5) year firm term of the lease agreement at an interest rate of five percent (5.0%) paid monthly in arrears as part of the rental payment upon the completion and acceptance by the Government.

   A portion of the total BSAC costs, in the amount of $82,000.00, shall be amortized over the first five (5) year firm term of the lease agreement at an interest rate of five percent (5.0%) paid monthly in arrears as part of the rental payment upon the completion and acceptance by the Government.

   Upon completion of the TIs and BSAC and the acceptance thereof by the Government, the rent commencement date and the rent schedule (including the Shell Rent, Operating Costs, and the amortized TI and BSAC Cost) shall be established by a subsequent LA.

   The remaining balance of the total cost of the BSAC is $37,629.00 (BSAC total cost of $119,629.00 - BSAC allowance of $82,000.00) and shall be paid by a lump-sum payment upon the completion and acceptance by the Government of the Tenant Improvements and the BSAC necessary to finish the interior of the leased space as depicted on the attached Exhibit "A". The lump-sum payment includes all the Lessor's fees for general and administrative costs, profit and any and all other fees associated with the completion of the Tenant Improvements and the BSAC by the anticipated date of completion noted above in paragraph 2.

   Any changes of the Construction Drawings which result in a financial, conditional, or term change to the lease agreement, of any type, must be approved, in writing, by the GSA Contracting Officer.

4) Upon acceptance of the TI and BSAC by the Government, the Lessor may submit for payment of the lump-sum payment. The Lessor agrees that the invoice shall be printed on the same letterhead as the Lessor named on this lease, shall include the Lease number, building address, and a price and quantity of the items delivered. The invoice shall reference the number PS0028046 and shall be sent electronically to the GSA Finance Website at http://www.finance.gsa.gov/defaultexternal.asp.
