C. Paragraph 9 of the Rider to the Lease is hereby deleted in its entirety and the following is substituted in lieu thereof:

9. The total percentage of space occupied by the Government under the terms of the lease is equal to 14.81% of the total space available in the lessor's building, and will be used as the basis for computing the Government's pro-rata share of real estate taxes, as defined in the Annual Real Estate Tax Escalation Clause. The percentage of occupancy is derived by dividing the total Government space of 4,373 rentable square feet by the total building space of 29,530 rentable square feet.

D. Paragraph 10 of the Rider to the Lease is hereby deleted in its entirety and the following is substituted in lieu thereof:

10. For purposes of determining the base rate for future adjustments to the operating cost the Government agrees that the base rate quoted on the "Lessor's Annual Cost Statement", (GSA Form 1217) of $4.24 per RSF is acceptable. This figure includes the Government's pro-rata share of operating costs. The Government retains the right to inspect and review the Lessor's records to verify the costs listed on the GSA Form 1217 and/or to require a certified audit report. The basis for annual operating costs escalations will be the revised U.S. All Cities Average Consumer Price Index for Wage Earners and Clerical Workers (CPI).

E. Paragraph 11 of the Rider to the Lease is hereby deleted in its entirety and the following is substituted in lieu thereof:

11. Lessor shall complete the building shell as defined in the lease and complete all alterations, improvements, and repairs required by this lease, and deliver the leased premises ready for occupancy within 120 Days after Government's Issuance of Notice to Proceed. When Lessor has completed all such alterations, improvements, and repairs, Lessor shall promptly notify the Contracting Officer, who shall promptly cause the same to be inspected.

Upon the date of completion of such alterations, improvements, and repairs and inspection and acceptance by the Government, the term of this lease shall commence and shall continue for ten (10) consecutive calendar years, five (5) years firm. The commencement date shall be more particularly set forth by a Supplemental Lease Agreement (SLA).

Upon acceptance of the leased premises by the Government, the same shall be measured and rental shall be paid, in accordance with Paragraph 4.1 of the lease, "ANSI/BOMA Office Area Square Feet" and Paragraph 27 General Clauses, GSA Form 3517, "Payment" at the rate of:

In the event such TI is not removed by the Government at the end of the lease term or any extension thereof, title shall rest on the Lessor and rights of restoration waived.
