1.08 TENANT IMPROVEMENT ALLOWANCE (AUG 2011)

The Tenant Improvement Allowance (TIA) for purposes of this Lease is $0.06 per ABOA SF. The TIA is the amount that the Lessor shall make available for the Government to be used for the TIs. This amount is amortized in the rent over the firm term of this Lease at an annual interest rate of 0 percent. In addition, the Government shall be entitled, but not obligated, at its sole discretion and at any time within one year following lease award, to increase the foregoing Tenant Improvement Allowance by an additional amount of up to $42.08/ABOA SF of office space (i.e., exclusive of the 1,321 ABOA SF of storage space) for a total Tenant Improvement Allowance of up to $42.08/ABOA SF of office space, and the Total Annual Rent shall be increased to amortize the additional amount over the remaining firm term of this Lease at an annual interest rate of 0 percent.

1.09 TENANT IMPROVEMENT RENTAL ADJUSTMENT (AUG 2011)

At any time after occupancy and during the firm term of the Lease, the Government, at its sole discretion, may choose to pay lump sum for any part or all of the remaining unamortized balance of the TIA. If the Government elects to make a lump sum payment for the TIA after occupancy, the payment of the TIA by the Government will result in a decrease in the rent according to the amortization rate over the firm term of the Lease.

C. If it is anticipated that the Government will spend more than the allowance identified above, the Government shall have the right to either:
   1. Reduce the TIA requirements;
   2. Pay lump sum for the overage upon substantial completion in accordance with the lease paragraph entitled "Acceptance of Space and Certificate of Occupancy;" or
