SUBJECT: Cancellation of Acquisition Letter MV-21-03

1. Purpose. The purpose of this memorandum is to cancel Acquisition Letter (AL) MV-21-03, *Waiver of Experience and Annual Financial Statement Requirements under the Multiple Award Schedule (MAS) Solicitation for COVID-19*.

2. Background. AL MV-21-03 was issued on February 24, 2021. The purpose of AL MV-21-03 was to temporarily waive the minimum corporate experience, relevant project experience, and annual financial statement requirements as prescribed by MAS solicitation provision SCP-FSS-001, *Instructions Applicable to All Offerors*. Supplement 1 to AL MV-21-03 was issued to provide additional clarification and guidance regarding this temporary waiver.

Since the issuance of AL MV-21-03, the MAS Program has implemented Startup Springboard. Startup Springboard makes it easier for newer companies to submit an offer and be awarded a MAS contract. Startup Springboard also offers similar flexibilities to those temporarily provided under AL MV-21-03. Based on the flexibilities provided by Startup Springboard, it has been determined the temporary waiver provided in AL MV-21-03 is no longer needed.

3. Effective Date. This memorandum and resulting cancellation of AL MV-21-03 is effective immediately.

4. Cancellation. AL MV-21-03, including all supplements, is hereby cancelled.

5. Point of Contact. Any questions regarding this Acquisition Letter may be directed to GSARPolicy@gsa.gov. Information about Startup Springboard is available at the following [website](#).
