RE: Inspection No: 1120691
Issuance Date: 07/01/2016

Dear Mr. Kevin Rothmier:

As authorized by 29 CFR Section 1903.14a, (b)(3), your uncontested Petition for Modification of Abatement date(s), dated, February 8, 2017 for the violation(s) alleged by Items of the below-captioned citation(s) has been approved:

The abatement date(s) have been modified as follows:

Citation Number	Item Number	Date Violation Must Be Corrected
1	1a	05/31/2017
1	1b	05/31/2017
1	2	05/31/2017

GSA will be required to provide this office with a Progress Report every 6 months until full abatement has been achieved for all listed Citation's that remain unabated.

Since all citations are subject to follow-up inspection, timely abatement responses with adequate supporting documentation, e.g. photographs, purchase orders, air sampling results, etc. may allow us to administratively close the case without such follow-up action.

Our records are being adjusted according to the new abatement dates. This letter should be posted next to the original Citation(s).

If you have any further question do not hesitate to contact this office, (314) 425-4249.

Respectfully,

(b) (6)

William McDonald
Area Director
