WHAT IS THE EXECUTIVE PROJECT FACT SHEET?

The Executive Project Fact Sheet is a one-page report that contains high-level information from ePM. This report displays the following information:

- Project Basics
- Executive Status
- Scope
- Schedule
- Financial Summary

WHO WILL USE THIS?

- Program Managers
- Project Managers
- GSA Executives

HOW TO...

The Executive Project Fact Sheet should be edited on a monthly basis. Below are the steps to edit the information that appears on the report:

A. GENERAL INFORMATION

The Project Properties document is where general information on the Executive Project Fact Sheet is entered. From the Project Properties document, users can update:

- Project Type
- Delivery Method
- Location
- Building ID
- Scope

1. Log into ePM as a user and click the Projects workspace.

Please select a workspace

| Organization | Manage company documents and templates, such as project security and setup. |
| Programs     | Configure, view, and report on groups of business-related projects. |
| Projects     | Complete assigned tasks, administer project documents and manage corporate assets and work orders. |
| Analytics    | Display and manage Reports and Dashboards that provide real-time enterprise wide visibility across the entire portfolio. |
2. Click ‘Enter Project’ next to the project that you would like to edit.

3. Navigate to ‘Workspace and Sub-Project Info’ in the left-hand navigation panel, expand the menu, and choose ‘Project Properties’.

4. This will open the ‘Project Properties’ page. Click the Project Number to launch the Project Properties editing window.

5. Click ‘Edit’ to begin editing.

6. Enter the following information:
   - Service Center
   - Project Type
   - Delivery Method
   - Total Gross Area (SF)
   - Inside Parking Area (SF)
   - Usable Area (SF)
   - Inside Parking Spaces and Outside Parking Spaces
   - Number of Occupants
   - Total Rentable Area (SF)
   - Building ID
7. Click ‘Save’.

B. EXECUTIVE STATUS

1. Navigate to ‘PM Tools’ in the left-hand menu, expand the ‘Project Management’ menu, and choose ‘Executive Status’.

2. Click ‘New’.
4. In the Daily Report Setup window, click the magnifying glass icon.

5. In the Daily Report Set window that opens, click ‘Add’ to select the Executive Status. Click ‘OK’.

8. In the ‘Daily Report: New Document’ window, enter the Title. The Journal Date will automatically populate with the current date. If the date needs to be changed, enter a new Journal Date.
9. Click ‘Journal’ to go to the Journal page. Then click ‘Add Line’ to begin entering the narrative. Update the ‘Journal’ page to include a narrative on ongoing procurement, design, and construction activities such as recently awarded contracts, scope changes, and tenant changes.
   - Note: On the Executive Project Fact Sheet, the first 3,000 characters of the Executive Status will be displayed.
   - Status narrative will be reported from the ‘Journal Entry’ area on the ‘Journal’ tab. Only one journal entry (the most recently entered) will be displayed in the report.
10. Click ‘Workflow’ in the top toolbar and select ‘Accept/Approve’ to transition the document to the ‘Accepted/Approved’ state.
11. Click the ‘Execute’ button to complete the Execute Workflow.

**NOTE:** A new daily report should be created for each entry.

C. EARNED VALUE

See QRGs 105 and 106 for detailed instructions on updating the Earned Value module for all active construction projects.

D. SCHEDULE

1. Navigate to ‘PM Tools’ in the left-hand menu, expand the ‘Schedules’ menu, and choose ‘PM Schedule’.
2. In the Schedule register, check the box next to the schedule (or schedules) you wish to view, then click ‘Tools’ and select to either open in Collaborative Gantt or CPM Gantt view.

3. To enter or update estimated dates, double-click the name of a milestone.

4. In the ‘Milestone Properties’ window, update the dates in the Early Start field and click ‘OK’.

5. To enter or update actual dates, double-click the name of a milestone, which opens the ‘Milestone Properties’ window. Then update the dates in the Actual Start field.

6. Click ‘OK’.
E. FINANCIAL
