1.08 TENANT IMPROVEMENT RENTAL ADJUSTMENT (SUCCEEDING) (SEP 2013)

The Government may elect to make lump sum payments for any or all work covered by the Tenant Improvement (TI) scope. That portion of the rental payments attributable to amortization of the TIs shall be reduced accordingly. At any time after occupancy and during the firm term of the Lease, the Government, at its sole discretion, may elect to pay lump sum for any part or all of the remaining unpaid amortized balance of the TIs. If the Government elects to make a lump sum payment for the TIs after occupancy, the payment by the Government will result in a decrease in the rent according to the amortization rate over the remaining Firm Term of the Lease.

1.09 BUILDING SPECIFIC AMORTIZED CAPITAL (SEP 2012)

When finalized, the following information will be filled in and documented via a Lease Amendment. Below is the proposed language to modify:

For purposes of this Lease, the Building Specific Amortized Capital (BSAC) is $XX.XX per ABOA SF. The Lessor will make the total BSAC amount available to the Government, which will use the funds for security related improvements. This amount is amortized in the rent over the Firm Term of this lease at an annual interest rate of X percent.

1.10 BUILDING SPECIFIC AMORTIZED CAPITAL RENTAL ADJUSTMENT (SEP 2013)

A. The Government, at its sole discretion, shall make all decisions about the use of the Building Specific Amortized Capital (BSAC). The Government may use all or part of the BSAC. The Government may return to the Lessor any unused portion of the BSAC in exchange for a decrease in rent (where applicable) according to the agreed-upon amortization rate over the Firm Term.

B. The Government may elect to make lump-sum payments for any work covered by the BSAC. The part of the BSAC amortized in the rent shall be reduced accordingly. At any time after occupancy and during the Firm Term of the Lease, the Government, at its sole discretion, may elect to
pay a lump sum for any part or all of the remaining unpaid amortized balance of the BSAC. If the Government elects to make a lump-sum payment for the BSAC after occupancy, the payment of the BSAC by the Government will result in a decrease in the rent according to the amortization rate over the Firm Term of the Lease.

C. If it is anticipated that the Government will spend more than the BSAC identified above, the Government may elect to:
   1. Reduce the security countermeasure requirements;
   2. Pay a lump sum for the amount overage upon substantial completion in accordance with the “Acceptance of Space and Certificate of Occupancy” paragraph; or
   3. Negotiate an increase in the rent.

1.11 PERCENTAGE OF OCCUPANCY FOR TAX ADJUSTMENT (JUN 2012)

As of the Lease Award Date, the Government’s Percentage of Occupancy, as defined in the “Real Estate Tax Adjustment” paragraph of this Lease is 78.04 percent. The Percentage of Occupancy is derived by dividing the total Government Space of 67,309 RSF by the total Building space of 86,250 RSF.

1.12 REAL ESTATE TAX BASE (SEP 2013)

The Real Estate Tax Base, as defined in the Real Estate Tax Adjustment paragraph of the Lease will be the calendar year 2015. Tax adjustments shall not occur until the tax base calendar year of 2015 is established. The Parcel Identification Number is 41-13-25-229-013.

1.13 OPERATING COST BASE (SEP 2013)

The parties agree, for the purpose of applying the paragraph titled “Operating Costs Adjustment,” that the Lessor’s base rate for operating costs shall be $5.76 per RSF ($387,432.00/annum).

1.14 RATE FOR ADJUSTMENT FOR VACANT LEASED PREMISES (SEP 2013)

In accordance with the paragraph entitled “Adjustment for Vacant Premises” if the Government fails to occupy or vacates the entire or any portion of the Premises prior to expiration of the term of the Lease, the operating costs paid by the Government as part of the rent shall be reduced by $5.00 per ABOA SF of Space vacated by the Government.

1.15 HOURLY OVERTIME HVAC RATES (AUG 2011)

The following rates shall apply in the application of the paragraph titled “Overtime HVAC Usage:”

- $1.00 per hour per zone
- Number of zones: 54
- Refer to Exhibit F for zone locations and # per agency spaces

1.16 24-HOUR HVAC REQUIREMENT (SEP 2014)

A. 500 ABOA SF or less of the Premises shall receive cooling at all times (24 hrs a day, 365 days a year) for purposes of cooling the designated server room. The peak BTU output of this room is established as 12,500 BTU per hour. The temperature of this room shall be maintained at 75 degrees F, with humidity control not to exceed 50% relative humidity, regardless of outside temperature or seasonal changes.

B. The 24 hour cooling service shall be provided by the Lessor at no additional cost to the Government as the Lessor provides this service to other tenants in the Building at no additional charge.
